

Connecting your iPhone Device to a Wireless Network

1. On the Home screen, tap the Settings icon.	
2. In Settings, tap Wi-Fi.	
3. Make sure Wi-Fi is set to On or in the green position.	

<p>4. Tap your Network Name (SSID) from the list of available networks.</p>	
<p>5. Enter your Alamo College Student Email, then tap Log In.</p>	
<p>6. Congratulations! You have successfully joined the Alamo Colleges Wi-Fi.</p>
