Office of the President

May 17, 2021

Dr. Belle Wheelan, President Southern Association of Colleges and Schools Commission on Colleges 1866 Southern Lane Decatur, GA 30033

Dear Dr. Wheelan,

In accordance with the Southern Association of Colleges and Schools Commission on Colleges' *Principles of Accreditation: Foundations for Quality Enhancement*, St. Philip's College is pleased to notify you of the address change for Cyber P-TECH USA at Sam Houston High School.

Beginning fall 2019, W.W. White Elementary served as a satellite campus for Sam Houston High School while the main campus underwent massive construction and renovation. The construction and renovation is completed, and the W.W. White Elementary satellite campus, located at 545 S. W.W. White Road, San Antonio, TX 78220 is closing. Effective fall 2021, all face-to-face and online instruction will take place at St. Philip's College campus and at the primary high school location:

Cyber P-TECH USA at Sam Houston High School 4635 East Houston St. San Antonio, TX 78220

I look forward to continually working to ensure that St. Philip's College complies with all guidelines set forth by the Southern Association of Colleges and Schools Commission on Colleges. Please let me know if you have any questions or need any clarification.

Sincerely,

Randall Dawson

Randall Dawson

Acting President
