Why Use Navigate

Get Step-by-Step Guidance

Navigate is a new free mobile app that will help you thrive at Palo Alto College. With the Navigate app, you'll be able to schedule an advising appointment with your Certified Advisor, get appointment reminders, and access to communicate with your advisor at your fingertips. It's like a personal advisor in your pocket!

Never miss an advising appointment!

Whether you're looking for academic advising or tutoring, Navigate will connect you to the right people and resources.

No app? No worries!

You can also use Navigate from your ACES account. Sign in to your ACES account and click on “NAVIGATE” located under the Start Here tab Links to access your Navigate Student profile.
