Dr. Belle Wheelan, President
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane, Decatur, GA 30033

Dear Dr. Wheelan,

In keeping with the Southern Association of Colleges and Schools' Principles of Accreditation: Foundations for Quality Enhancement, St. Philip's College would like to notify you of a substantive change implemented fall 2019.

Despite plans to expand the Catering Management Level I Certificate at William J Brennan High School to 25 – 49% as described in the Off-campus Instructional Site notification dated June 4, 2018; SACSCOC acceptance dated September 6, 2018, no students enrolled in the program in fall 2019, and the last students enrolled in related courses in spring 2019. At this time and due to the lack of student interest, Catering Management Level I Certificate courses are no longer offered at William J. Brennan High School.

St. Philip's College has attached a teach out plan for consideration and approval.

Please let me know if you have any additional questions or concerns regarding this matter.

Sincerely,

Randall Dawson

Randall Dawson
Acting President

CC: George Johnson, Institutional Accreditation Liaison, St. Philip's College

Teach-out Plan

William J. Brennan High School – Catering Management Level 1 Certificate

A teach-out plan is a written plan developed by an institution that provides for the equitable treatment of students if an institution, or an institutional location that provides fifty percent or more of at least one program, ceases to operate before all students have completed their program of study, and may include, if required by the institution's accrediting agency, a teach-out agreement between institutions. Teach-out plans must be approved by SACSCOC in advance of implementation.

To be approved, a teach-out plan must include the following information:

1. Date of closure (date when new students will no longer be admitted)

In Fall 2019, there were no students in the Catering Management Level 1 Certificate program. Spring 2019 William J. Brennan had their last set of students go through this program. There has not been adequate interest in the program at this location for them to be able to offer courses in the Catering Management Level 1 Certificate program.

2. An explanation of how affected parties (students, faculty, staff) will be informed of the impending closure.

Parents/students were informed it was an option as a course, but chose to take the high school credit only path. Students have other opportunities for Dual Credit courses with another college.

3. An explanation of how all affected students will be helped to complete their programs of study with minimal disruption.

The students can continue taking the high school level courses offered at the high school.

4. An indication as to whether the teach-out plan will incur additional charges/expenses to the students and, if so, how the students will be notified.

No cost to Dual Credit students.

5. Copies of signed teach-out agreements with other institutions, if any.

There is not a signed teach-out agreement for the courses with William J. Brennan High School. Not applicable.

6. How faculty and staff will be redeployed or helped to find new employment.

All instructors were St. Philip's College adjunct instructors and had the opportunity to continue on as an adjunct with the college if they chose to do so. The school staff at William J. Brennan High School are still employed at the school, and the adjunct teaches regular high school courses there.

7. If closing an institution, arrangement for the storing of student records, disposition of final financial resources and other assets.

Not applicable. St. Philip's College and William J. Brennan High School are operational institutions as of May 28, 2021.
