

SAN ANTONIO COLLEGE

2020 DISTINGUISHED GRADUATES

Samantha Woodard

Human Resource Management

“An investment in knowledge pays the best interest.”
-Benjamin Franklin

Samantha Woodard was born and raised on the northeast side of San Antonio. She is a devoted mother of five children and a housewife who loves to bake, sing, and plan fun family activities.

Samantha is the first person in her immediate family to attend and graduate college. She has taken 12 hours each semester and summer classes since the spring of 2018. Samantha is proud of prioritizing education, and the strong example it sets for her children. She has earned her name on the President’s List for academic achievement in the fall of 2018 and the Dean’s List in the fall of 2019.

Samantha completes her Associates in Human Resource Management in May 2020. She looks forward to walking the stage and hearing her family cheer her on. Just beginning her career in human resources, she plans to continue her education toward a bachelor’s degree at Texas A&M University.
