

2019 DISTINGUISHED GRADUATE

Veronica Ochoa

Administrative Assistant (AAS)

“I didn’t get there by wishing for it or hoping for it, but by working for it.”

- Estee Lauder

Veronica Ochoa is a devoted mother of a 14-year-old son and a 9-year-old daughter, both of whom she adores. She is also a wife of 17 years and married to her high school sweetheart. In her spare time, she loves to cook and have movie nights with her family.

Veronica has always instilled in her children the importance of education. She felt that it was time to set an example for her children and sought higher education. While working full time, she pursued her degree by taking full time classes, and in the process making the Dean’s List in Spring 2018 and being inducted into Phi Theta Kappa.

Veronica plans to graduate in May 2019 with an associate degree in the administrative assistant program. She looks forward to the day she crosses the stage and hears her husband and children cheer her on. She is very proud of the hard work she has done to become a Distinguished Graduate.
