## Message from our Interim Vice President:

### Greetings SPC Tigers,

Time gives you the space to reflect on life. Reflecting on your decisions can help you make positive changes and grow from your experiences. It allows you to pause before reacting so you yield a better response. Learn what works well to develop better relationships.

Finally, please visit <https://alamo.edu/coronavirus> for an array of up-to-date information to support your academic journey.

As always, please reach out to me if I can be of service to you at: [dhester@alamo.edu](mailto:dhester@alamo.edu).

In service,

Diane Hester  
Interim Vice President for Student Success  
St. Philip's College

# SPC Health Centers

For more information, contact Russel Adamski at 210-486-2222 (MLK Campus), or Brenda Major at 210-486-7161 (SWC Campus).

## Preventive Steps

After you are fully vaccinated for COVID-19, take these steps to protect yourself and others:

- In general, you do not need to wear a mask in outdoor settings.
- If you are in an area with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and when you are in close contact with others who are not fully vaccinated.
- If you have a condition or taking medications that weaken your immune system, you may not be fully protected even if you are fully vaccinated. You should continue to take all precautions recommended for unvaccinated people, including wearing a well-fitted mask, until advised otherwise by their healthcare provider.
- If you are fully vaccinated, to prevent possibly spreading viruses to others, wear a mask indoors in public if you are in an area of substantial or high transmission.

## No Insurance? No Problem!

Students of the Alamo Colleges District must first call **210-485-0571** to set up their appointment and financial assistance may be available. Visit <https://alamo.edu/wellness360> for full details and list of student health care services.

## World Health Day is April 7th.

The theme for World Health Day is health promotion for well-being, equity, and sustainable development. This month we will focus on Minority Health & Wellness. Please join us via Zoom as we will discuss these topics on April 20th for Wellness Wednesday from 2:00PM-3:00PM. Login in to Alamo Experience for more information. What can you do until then? Begin with a series of different physical activities. Promote healthy eating habits with one change per week. Meditate daily, whether it is for 5 minutes or 30 minutes. Start slow movement yoga that incorporates stretching to relieve stress. Teach these suggestions to others and the importance of personal hygiene. Finally, get quality sleep. Sleeping helps us to recover from mental, as well as physical exertion. Sleep and health are strongly related - poor sleep can increase the risk of having poor health, and poor health can make it harder to sleep. Sleep disturbances can be one of the first signs of distress.
