## Message from our Vice President:

### Greeting SPC Tiger Family

Happy New Year! My name is Wesley Wells and I am the new Vice President for Student Success. As we start a new journey together this semester I am excited to welcome you back home.

As your VPSS I am committed to being a student-centered leader, empowering both students and staff to reach goals to advance their lives and the lives of those around them.

I firmly believe there is opportunity in every moment, if you choose to seek the vision and act on it. The only thing restricting change is to not change.

I look forward to engaging with you at the MLK and SW campus communities in the coming weeks to continue the amazing work that St Philip's College is known for and adding new innovations to expand our commitment to diversity, opportunity and access.

Have a great start to the Spring 2023 Semester!
