2017 Fall planning: 1.) Alberto's Learning Commons Teaching and Assessing module, recruiting students to learn Java software; 2.) Dr. Bedolla agreed to serve as Convocation Speaker, and help with other PD events; 3.) President's QEP Film and Lecture Series. Each division to contribute at least one title to be screened. QEP team, guests and division volunteers, etc. to create question prompts.

Some thoughts regarding 2017-2018 Division Best Practices Sharing:

1.) **Round One:** Small group discussions of one of several Visual QEP's from current (and recruited/created) faculty/staff Visual QEP's, with current and newly created question prompts? Good 2 Great/Assessment Showcase style, groups select Visual with computer, secretary, speaker(s) to report to whole group?

2.) **Round Two:** Discussions of video clips from already selected films/documentaries for President's

QEP Film and Lecture Series, using question prompts created by QEP team, division volunteers and guests, etc.? Discussion, review of question prompts to prepare for showings?

3.) **Round Three (2018 Spring Round One):** Discussions of one of several Photo, Art, Music videos, audio (visual) poems? Small/whole group? To be decided by each division.

4.) **Round Four (2018 Spring Round Two):** Discussion of/voting on Student Visual QEP's entered by divisions into Student Visual QEP Competition, written faculty feedback on the student contributions? One to three Student Visuals to be forwarded, ranked or unranked? To be decided by each division.

Comment: Rounds two and three could be reversed, pending receipt of division film/documentary selections?
