Message from our Vice President of Student Success

Greetings SPC Tigers,

We are thrilled to have you join our vibrant community of scholars, innovators, and future leaders. As you embark on this exciting journey, we want to extend a warm back-to-school welcome and offer our support to help you thrive during your time at SPC. This semester marks the beginning of an incredible chapter in your educational and personal growth. Whether you are a first-year student or a returning learner, we are here to guide you every step of the way.

Take a moment to reflect on your aspirations and the goals you wish to achieve. Visualize the path you want to follow and the person you strive to become. Remember, each day presents a chance for growth, discovery, and success. Engage with your advisors, faculty, and staff members who are here to provide guidance and support.

Collaborate, share ideas, and engage in meaningful conversations that broaden your horizons and foster understanding. Remember that learning happens both inside and outside the classroom. Take advantage of the extracurricular activities, clubs, and organizations that align with your interests. These opportunities not only enhance your college experience but also help you develop leadership skills, build lifelong friendships, and create cherished memories. We are thrilled to have you as part of the St. Philip's College Tiger Nation Family.

Remember, you are not alone on this path. We are here to help you succeed. Here's to a fantastic semester ahead! As always, please reach out to me if I can be of service to you at wwells8@alamo.edu.

In service,
Wesley B. Wells
Vice President for Student Success St. Philip's College

Expansion of Student Advocacy Center Services

As Fall 2023 gets started, the Student Advocacy Center is expanding services at the Southwest Campus to include in-person and zoom appointments. Students can now schedule a one-on-one appointment with the Senior Coordinator to determine eligibility for services with emergency aid and access to community resources. Her office is temporarily located in Industrial Technology Center (Building 1), Room A135.

Awards are not guaranteed and may vary based on grant availability and student eligibility. Students may receive up to one award per semester. Awards begin processing on the first day of classes for the semester requested.

Questions? Please contact Adriael Simien-Falduto, Senior Coordinator

Email: asimien@alamo.edu | Phone: 210-486-7037 | [CLICK HERE](#) for appointment!

Student Employment & Leadership Programs

These programs enhance students' college experience by providing paid opportunities to develop marketable skills, learn more about the college, get involved in the community, network with professionals, and gain experience in their intended field. Connect with alamo.edu/spc/crels for details on each opportunity and for application or registration assistance!
