The tip for the week of Oct 3 was a faculty submission: "***The highest reward for man's toil is not what he gets for it but what he becomes by it. - John Ruskin***". Student Life: Student Activities *What Would You Do*, continue every Wednesday on SPC Spirit Day. Three SEG students assist with this activity encouraging other students to participate. Thought-provoking scenarios and questions are presented every Wednesday from 11:00 am – 1:00 pm in the CLR Breezeway (MLK Campus) and Building 1 Crossroads Area (SW Campus). Student Life Announcements also invite students to participate and use the EDM process via *What Would You Do*.

Student Focus Groups: QEP EDM student focus groups continue for the fall semester. Kevin Schantz has contacted academic deans and Dr. Thomas at SPC ECHS requesting assistance in scheduling in-class focus groups. The purpose of these sessions is to gather data about students' understanding of the QEP in general and EDM in particular. The information gathered will assist in the development of future programming and promotion of EDM. The goal is to complete six in-class focus groups across the college by the end of the fall 2016 semester. This will help ensure students across the college are represented. In addition to the in-class focus groups, cafeteria student focus groups are scheduled for Oct 24 & 27, Nov 1 & 30 and Dec 1.

Ethics Bowl: A Title III funding request of \$15,600.00 was submitted to Dr. Erick Akins by the QEP team to support faculty efforts to participate in ethics bowls occurring during the next academic year. Assessment

Personal & Social Responsibility Inventory (PSRI): The PSRI 2 (post-test) will be launched on Nov 28 and sent to students who completed the PSRI 1 (pre-test). The PSRI 2 will remain open until December 16, 2016. The first 1,000 students completing both will receive a \$20.00 bookstore gift card.

Joshua Mitchell and Garrett Gowen from Iowa State University, RISE is working on getting the appropriate approval for RISE to collect data on those under age 18 attending SPC. He will try to get approval before the post-test launch on Nov 28. If he does not receive approval in time, modifications will be made in time for data collection next year. QEP directors and Dr. Hinojosa requested Iowa State University RISE remove the 'age 18 consent' requirement that precedes the survey. More students may complete the survey if the consent statement is eliminated. This will help to ensure DC/ECHS students are completing the survey. This is in accordance with SACSCOC and FERPA. DC/ ECHS students must have the same assessment opportunities as the traditional student population.

Iowa State University, RISE is currently working on a preliminary report from the PSRI 1 administration. The report will include the pre-test of the case study, as well as the moral foundation results. Once the report is finalized RISE will schedule a teleconference with QEP directors and Dr. Hinojosa.

In regards to PSRI e-mail communication to students, John Orona has received the new e-mail account for SPC-President. The ICT office will manage the account and set up for authorized individuals only. John Orona would like to set up a SOP of whom is ultimately responsible (one person) to authorize use of this email account. A link to Feed the Tiger could be included in outgoing correspondence for feedback. It has been suggested the following statement be integrated in all outgoing correspondence from this account:

Please do not reply to this e-mail. It is a notification-only address. All replies should be sent to <http://spcweb.alamo.edu/feedback/index.html>.
