Student Success

SPC Celebrates GM ASEP Grads

St. Philip's College (SPC) Automotive department held a ceremony to congratulate four graduates of the General Motors ASEP Program Automotive Technology program: Alfonso Avila, Nathan Carrasquillo, Encarcion Perez and Evan Perez. GM ASEP is a two-year, fast paced apprenticeship program designed to prepare graduates to work as highly-trained GM automotive technicians.

SPC Hosts Robotics Space Camp

St. Philip's College (SPC) Center of Excellence, Science in collaboration with San Antonio ISD hosted the Space Team Robotics program at Sam Houston High School for 26 children as part of the Nita Lowey 21st Century Learning Centers grant. The 21st CCLC Program supports community learning centers that provide academic enrichment opportunities during non-school hours.

Performance Excellence

SPC Pinning Ceremonies Held for Grads

The Health Science and Histology Department held several pinning ceremonies to recognize graduates as they transition from students to professionals. The Physical Therapist Assistant Program pinning ceremony was held on May 12. The Occupational Therapy Assistant Program and Health Information Technology Program held their pinning ceremonies on May 16.

SPC Student Parents Awarded Grants for Childcare

Five students from Vocational Nursing, Respiratory Care, Diesel Program & Automated Industrial Process programs received childcare assistance from January to May 2022, funded by the Carl Perkins Grant. Access to affordable childcare helps support retention and persistence by helping students who struggle to cover out of pocket expenses. The Carl D. Perkins Career and Technical Education Act of 2006 supports academic achievement of career and technical education students.

Principle-Centered Leadership

SPC Unveils Little Free Library

St. Philip's College (SPC) Child Development Center in partnership with the Center for Learning Resources-Library opened the Little Free Library on June 6. LFL is an initiative to educate student parents on the importance of reading to children and having positive interactions. SPC Little Free Library is now on the Little Free Library map, joining more than 100,000 registered book-sharing boxes worldwide. The CDC also recently launched its Little Tigers Summer Reading Program.

SPC Partners on International Solar Partnership

St. Philip's College (SPC) Power Generation & Alternative Energy Program Director and instructor, Craig Overmiller, recently completed a 16-episode YouTube series with Sri Ramakrishna College of Arts and Sciences (Coimbatore, India). The partnership yielded national recognition in India for implementing the "Solar Panel in Tribal Village" project.
