Student Life: Student Activities *What Would You Do*, continue every Wednesday on SPC Spirit Day. New thought-provoking scenarios and questions are presented every Wednesday from 11:00 am – 1:00 pm in the CLR Breezeway (MLK Campus) and Building 1 Crossroads Area (SW Campus). Student participants enter their responses to the scenario via iPad. SEG students encourage students to use the EDM process as they consider the scenario and enter their responses. Student Life Announcements invite students to participate in *What Would You Do*.

Ethics Bowl: A Title III funding request of \$15,600.00 was submitted to Dr. Erick Akins by the QEP team to support faculty efforts to participate in ethics bowls occurring during the next academic year. PR: Public Relations continues to support the work of the QEP by promoting community awareness. Business card size QEP EDM cards have been printed and are ready for distribution.

In a recent letter to 35 band director partners for the SAYWE program, Nina McGrath briefly explained the SPC EDM QEP and opportunities students have to engage in the EDM process. This reinforces the QEP strategy of community awareness.

QEP Core/Implementation Team: The implementation team will meet today from 2:00 – 4:00 pm, CLR 301.

Assessment

Personal & Social Responsibility Inventory (PSRI): The PSRI 2 (post-test) will be launched on Nov 28 and sent to students who completed the PSRI 1 (pre-test). The PSRI 2 will remain open until December 16, 2016. The first 1,000 students completing both will receive a \$20.00 bookstore gift card.

Joshua Mitchell and Garrett Gowen from Iowa State University, RISE is working on getting the appropriate approval for RISE to collect data on those under age 18 attending SPC. He will try to get approval before the post-test launch on Nov 28. If he does not receive approval in time, modifications will be made in time for data collection next year. QEP directors and Dr. Hinojosa requested Iowa State University RISE remove the 'age 18 consent' requirement that precedes the survey. More students may complete the survey if the consent statement is eliminated. This will help to ensure DC/ECHS students are completing the survey. This is in accordance with SACSCOC and FERPA. DC/ ECHS students must have the same assessment opportunities as the traditional student population.

On Oct 10, Garret Gowen informs QEP directors that RISE is currently working on a preliminary report from the PSRI 1 administration. The report will include the pre-test of the case study, as well as the moral foundation results. Once the report is finalized RISE will schedule a teleconference with QEP directors and Dr. Hinojosa.

In regards to PSRI e-mail communication to students, John Orona has received the new e-mail account for SPC-President. The ICT office will manage the account and set up for authorized individuals only. John Orona would like to set up a SOP of whom is ultimately responsible (one person) to authorize use of this email account. A link to Feed the Tiger could be included in outgoing correspondence for feedback. It has been suggested the following statement be integrated in all outgoing correspondence from this account:

Please do not reply to this e-mail. It is a notification-only address. All replies should be sent to <http://spcweb.alamo.edu/feedback/index.html> .
