

Data Point

An item of factual information derived from measurement or research

Student Achievement Metrics: Productive Grade Rate

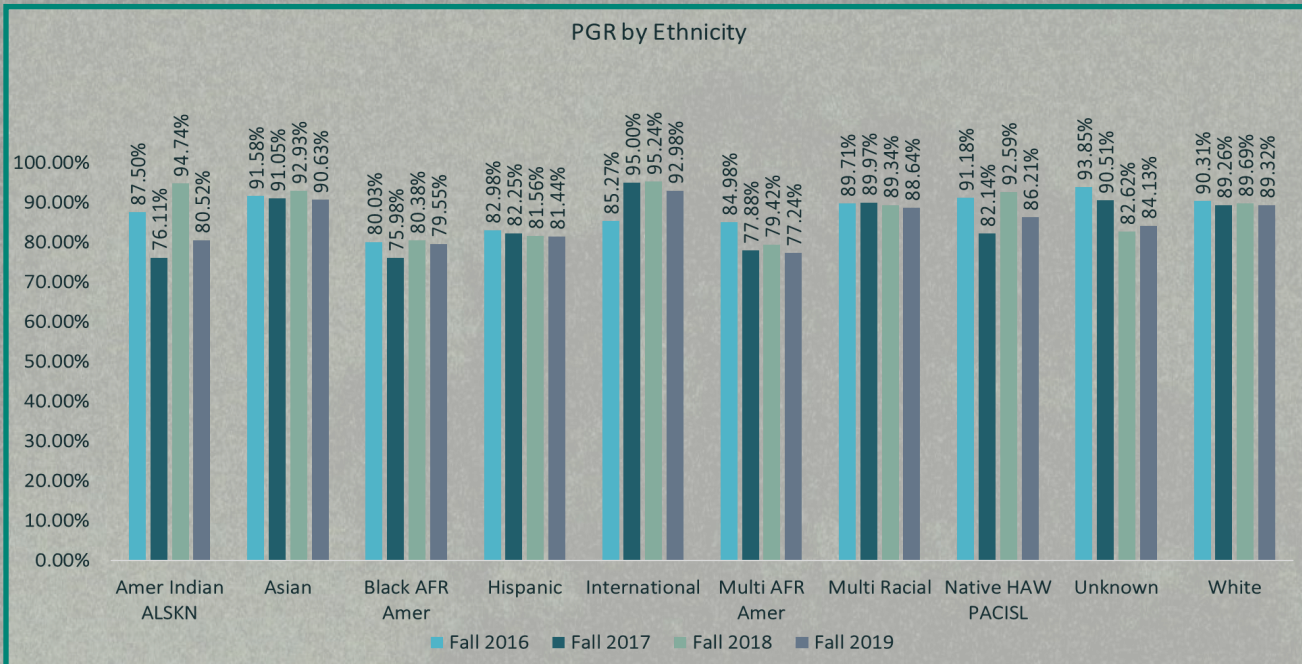

Figure 46-1 Productive Grade Rate by student demographic groups—ethnicity
Data Source: Institutional Research and Effectiveness Service (IRES)

As shown in Figures 46-1 (above) and 46-2 (right), SPC students across all featured demographics and academic terms achieved productive grade rates (PGR) well above 70%, with overall totals exceeding 80% across all four featured academic terms.

Course Completion & Fall to Fall Persistence

Seen in Figures 46-3 (left) and 46-4 (below), SPC students exhibit high course completion rates of at least 85% across all featured demographics, leading to overall completion rates in the 93% range across the four academic terms included (fall terms 2016–2019).

Data Source: Institutional Research and Effectiveness Service (IRES)

Figure 46-5 (below) displays fall to fall persistence across selected demographics groups (gender, veteran, and ethnicity) from fall 2015-2016; 2016-2017; 2017-2018. Although the total persistence rates remain in the 45-48% range, for fall 2018-2019, full time, first time in college (FTIC) students achieved a persistence rate of 62.7% (not shown, data source: Texas Higher Education Coordinating Board).
