

## Greening the Curriculum – Class Form

Instructor Name \_\_\_\_\_

Department \_\_\_\_\_

Class \_\_\_\_\_

I have greened or will green the curriculum of this class (check all that are appropriate):

incorporating concepts of environmental sustainability into lecture

requiring reading assignments that cover environmental issues

requiring research assignments that include environmental issues

requiring writing assignments that include environmental issues

showing or requiring outside viewing of educational media that cover environmental issues

offering hands-on experiences

field trips (e.g. wind farm, recycling center, organic farm, nature walks, etc.)

offering extra credit for participation in green activities (e.g. Earth Club, recycling, community events, etc.)

other \_\_\_\_\_

Please give a description, using specific examples, of your efforts to green the curriculum for this class.
