## Digital Divide by SPC Feeder Zip Codes

SPC Top Bexar County Feeder Zip Codes	% without Broadband
78223	18.59 - 33.64%
78109	0 - 6.3%
78210	18.59 - 33.64%
78245	6.31 - 18.58%
78244	6.31 - 18.58%
78251	6.31 - 18.58%
78207	33.65 - 60%
78218	6.31 - 18.58%
78203 (MLK)	18.59 - 33.64%
78211 (SWC)	33.65 - 60%

Figure 44-1 SPC fall 2019 top Bexar County feeder zip codes by broadband access

Data Source: Digital Inclusion Survey and Assessment (UTSA Public Policies Center, City of San Antonio (COSA) Office of Innovation, Bexar County Commissioner's Court); SPC Quick Facts Fall 2019 (feeder zip codes)

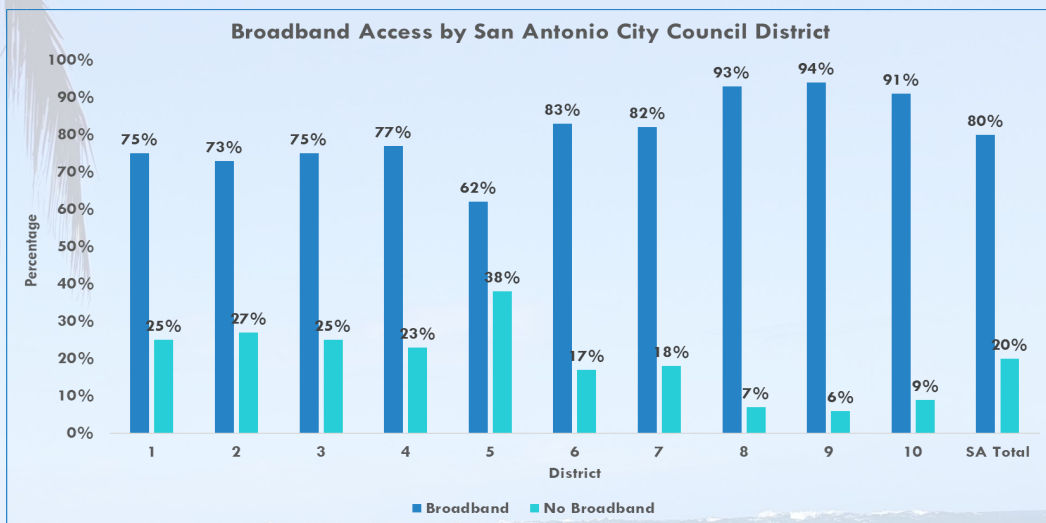

Figure 44-1 (above) displays SPC's fall 2019 top 8 Bexar County feeder zip codes\* along with both campus zip codes in correlation with the percentage of households lacking broadband connection. As shown, only one feeder zip code boasts greater than 90% of households have broadband (78109 with 0-6.3% No Broadband), while 2 of these zip codes record no broadband in 33.65-60% of households, including 78211, in which the Southwest Campus is located.

\*Only Bexar county feeder zip codes are included, as the Digital Inclusion Survey and Assessment Report featured only San Antonio and Bexar County data. SPC's top 10 feeder zip codes also included 78155 (Guadalupe County) and 78130 (Comal County).

As seen in *Figure 44-2* (below), San Antonio Council Districts 6-10 (representing the northern half of the city) report broadband connection in greater than 80% of households, whereas Districts 1-5 remain below 80%. District 5 demonstrates the lowest percentage of households with broadband at only 62%.
