### May is Teen Pregnancy Awareness Month.

This month we will focus on teen pregnancy. Please join us on Zoom as we will discuss topics on May 5th, for Wellness Wednesday from 2:00PM-3:00PM. We'll discuss the National Campaign to Prevent Teen and Unplanned Pregnancies. Teen pregnancy awareness is important because childbearing may bring substantial social and economic costs through immediate and long-term impacts on teen parents and their children. For example, pregnancy and birth are significant contributors to high school dropout rates among girls. Only about 50% of teen mothers receive a high school diploma by 22 years of age, whereas approximately 90% of women who do not give birth during adolescence graduate from high school.
