# **Process Overview of Agreements and Contracts**

#### I. Why are contracts and agreements important? (Context)

- a. Formalizes our partnerships, protects us from liability, ensures payment to vendors
- b. NOTE: Always use a new agreement for each use from the Legal Services website
- c. Legal policies
- d. Volume submitted
- II. General guidelines checklist with timeline/Amounts for Signature/Disclaimer- This is just a guide but is subject to updates from legal and college.
- III. Flowchart with TIMELINES

Originating department submits Agreement/Contract to VPCS office through their chain of command

(4 to 6 weeks lead time before services are rendered)

VPCS office forwards fully signed document to originating department and files with Legal Services. YOU DID IT! VPCS reviews and, if approved, submits Agreement/Contract to HR and/or Legal Services for review and approval

Originating department returns signatured document to VPCS for final approval signature

(VPCS office obtains final signature from VPCS and/or President)

Legal Services returns documents to VPCS office. If no changes are required, VPCS office will forward document to originating department for signature from entity/vendor.

# IV. Service Agreement Form Low Risk Individual/ Service Agreement Form Low Risk Individual Grant

- a. Purpose: This form is intended to be used for services rendered to Alamo Colleges by an individual that presents a sufficiently low risk that Contractor is not required to demonstrate proof of insurance. For example: to be used for the following list below.
- Speakers
- Orchestras, bands & music ensembles
- Artists creating informal or non-permanent works, *e.g.*, caricaturists, AIR BRUSH tattooists, face painters & custom flipbook artists,
- DJs
- Photographers & videographers
- Program reviewers
- Facilitators
- Grant writing consultants
- Educational consultants
- Trainers

This form should only be used if the service provider is a single individual who will personally perform all of the services, regardless of whether that individual operates via an entity. This form should not be used for the services of licensed professionals. Instructional professionals should not be contractors pursuant to IRS rulings requiring that they be employees, but may consult in a non-instructional capacity pursuant to this Individual Services Agreement. This form should not be used if the provision of services will involve the use of motor vehicles, performances that will involve the active participation of audience members in physical activities, or artists commissioned to create large-scope or permanent works.

- b. Types: Individual, Grant-Related
- c. Process overview
  - i. Step 1: Department lead updates Services Agreement Form Low Risk Individual Template with exact legal name for organization, description of deliverable terms, fees, notices, invoices to organization, set up, and other requests. (See highlighted section in sample packet)
    - 1. Note: Notices to Alamo Colleges should be VPCS contact information with Copy to department lead and co-party information.
  - **ii.** Step 2: Department lead submits Memo and Services Agreement Form Low Risk Individual after appropriate Director/Chair, Dean (if applicable), and VP have approved based on reporting structure for department lead to VPCS Office.
  - iii. Step 3: Admin to VPCS reviews and makes sure terms are accurate, and the deliverables are outlined correctly, and also ensure all appropriate parties are identified in the notices to section. VPCS admin to submit for approval to designated PAC HR Partner for review and approval.

- 1. If a Services Agreement Form Low Risk Individual Grant is submitted then this agreement will be sent to designated PAC HR Partner and legal services for review and approval
- 2. A **Grant Notification Award** copy needs to accompany any submitted Services Agreement Form Low Risk Individual Grant for review
- iv. Step 4: After the approval has been granted from the designated PAC HR Partner the VPCS admin (via email) will be notified and then the Services Agreement Form Low Risk Individual Agreement will be forward to originating department so that the authorized signature from vendor can be obtained (originating department will acquire the vendor signature) then the department will forward agreement back to VPCS admin for final approval and signature by VPCS (only for items \$10,000 or less-if more than \$10,000 then PAC President shall sign agreement).
- v. Step 5: VPCS Office saves fully executed agreement and sends to legal services and department lead.
