

Overview of the Homepage in eLumen Student Dashboard

Upon entering the eLumen Student Dashboard, you will be able to see the blue menu bar at the top of the page. Currently, you have access to the Home, Education Planner, and Portfolio tabs. The other tabs (Badges and Extended Transcript) are currently under construction.

Below, you will see a white bar with a round avatar followed by your name. Just below that, you will see a courses box that should list all your courses for the current semester.

The screenshot displays the eLumen Student Dashboard interface. At the top is a blue navigation bar with tabs for Home, Education Planner, Portfolio, Badges, and Extended Transcript. Below the navigation bar is a white header area containing a user profile section with a circular avatar, a 'Welcome' message, a redacted name, and a 'Please Select a Program.' prompt. A 'Go to Program Selector' button is located on the right side of this header. The main content area is divided into two columns. The left column, titled 'Courses', lists several courses with their respective attainment percentages: '- Honors Student List' (0%), 'ACCT2302 - Principles Managerial Acct' (100%), 'ARCH1301 - History of Architecture I' (25%), and 'GOVT2306 - Texas Government' (0%). The right column, titled 'Attainment Progress', features a large circular gauge showing 97% attainment, with a legend for 'Attained' (blue) and 'Unobtained' (grey).
