Saint Philip's College is closing the Associate of Applied Science (A.A.S.) degree program in Manufacturing Operations Technician, the Level I Certificate program in Manufacturing Maintenance Associate, and the Level I Certificate program in Manufacturing Operations Maintenance Tech which were offered via an agreement with Wuxi Institute of Technology (WXIT) in China. The agreement with WXIT has been terminated. The programs will continue to be offered to Saint Philip's College students.

No students have been enrolled in the program since the summer of 2018. No students will need to be informed of the program closure. All students have completed their programs. Students will not receive any additional charges because of the program closure. No faculty or staff members will be affected by the program closing.

**The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Associate of Applied Science (A.A.S.) degree program in Manufacturing Operations Technician, the Level I Certificate program in Manufacturing Maintenance Associate, and the Level I Certificate program in**
