

## Alertus E-Panic Button

Alertus E-Panic Button has been installed on select machines across the Alamo Colleges District. This tool gives the user the ability to quickly and easily notify the Alamo Colleges District Police Department of an issue they are experiencing with just a couple of clicks. The following guide walks you through how to register your contact information for Alertus, how to pin the Alertus application to your task bar to make it more readily available, and how to send a panic alert to the ACPD.
