

Implementation Progress

SPC Weekly: The EDM Tip of the Week will continue in the fall. Administrators, faculty, staff, and students may now submit tips for Ethical Decision-Making through the QEP website. New tips will begin in the fall.

The screenshot shows the St. Philip's College website interface. The main content area is titled "QEP Tips of the Week" and features a submission form. The form includes fields for "Full Name", "Last Name", "Who Are You?" (with radio buttons for Student, Administrator, Faculty, Staff), "Email Address", and a text area for the "QEP Tip (i.e., 'Actions speak louder than words')". There are "Submit" and "Clear" buttons at the bottom of the form. The website header includes navigation links for various departments and a search bar. The footer contains contact information and social media links.

Student Life: What Would You Do? Student Activities continues to engage students in the QEP by posing thought-provoking scenarios and questions during Spirit Day. New scenarios are presented every Wednesday from 11:00 am – 1:00 pm in the CLR breezeway. The last scenario for spring 2016 was presented during Spirit Day on May 11, 2016. Spirit Day and *What Would You Do?* activities will continue during Maymester and throughout the summer. Some aspect of *What Would You Do?* is presented to students each week and students are encouraged to submit a QEP Tip of the Week.

QEP PR: QEP student engagement and community awareness strategies continue with PR assistance. The QEP Implementation Team will discuss QEP community awareness strategies and possible modifications to QEP signage on campus for fall 2016. A footprints request has been submitted to PR for poster design.

Assessment

On Monday, May 23, 2016 Laura Miele, Dr. Hinojosa and Maureen Cartledge met via teleconference to discuss assessment including PSRI and DIT-2. Dr. Hinojosa shared electronic DIT-2 results to include raw data files with Laura Miele. The results were forwarded to Iowa State University RISE May 16, 2016. We anticipate a more detailed response from RISE with information from the data merged from the PSRI pre and post tests and the DIT-2.

Personal & Social Responsibility Inventory (PSRI): Of the 1,473 students who completed some portion of the PSRI assessments during the pre- and post-test administrations, there are 135 cases with some level of data on both the pre- and post-test assessment. Once the data cleaning process has been completed by RISE, we will have a number of those with enough data to compare. Once this number is determined we can get an idea of the overlap with the DIT-2 data as well. We anticipate a detailed report of PSRI results for the spring 2016 semester by July 1, 2016.

Defining Issues Test Version-2 (DIT-2): The DIT-2 posttest was administered to graduating students on May 4, 2016 during the DIT/VIP graduation reception. Four students completed the assessment. The DIT-2s were mailed to University of Alabama for scoring May 20, 2016 by IPRE.

External Constituent/Alumni Survey: An electronic copy of the survey was shared with Dean of Health Sciences and Dean of Applied Science and Technology for distribution on Feb 3, 2016. Forty-four surveys have been submitted from Culinary Arts, Physical Therapist Assistant, Medical Laboratory Services, Business Information Solutions (BIS), and Construction Trades. We anticipate more results from Nursing, Radiology and Welding.

Professional Development

The SPC institutional membership for the Association for Practical and Professional Ethics (APPE) is up for renewal. The institution may identify up to five names as institutional representatives for APPE. APPE headquarters at Indiana University will host the Ethics Bowl Workshop in June. Jill Zimmerman and Andy Hill plan to attend.

The QEP Core/Implementation Teams will continue to discuss upcoming QEP EDM professional development specifically for staff for fall/spring 2016 PDW. Staff PD survey is pending IRB approval.

QEP Core Team members were asked if they are interested in attending the 2016 Institute on Quality Enhancement and Accreditation conference July 17 – July 20, 2016.

QEP Events

QEP Professional Development

- Canyon Lake High School – May 17, 1:00-2:00 pm, lunch provided; Matt Fuller & Andrew Hill presented. Per Mr. Fuller the event went well.

Upcoming QEP Events

QEP Presentation during Kids Camp 2016: A EDM story/case study will be shared with campers ages 8 -13 June 15, 3:00 – 3:30 pm. Laura Miele will present.
