Message from our Interim Vice President:

Greetings SPC Tigers,

How are you progressing academically? We are close to the halfway mark of the fall 2022 semester. Use your time wisely and schedule a time to connect with your Certified Advisor to begin planning for the classes you need to take next semester. To ensure you end the semester with excellent grades, take advantage of the following resources if applicable; the Byrd Sanctuary, the Integrated Reading and Writing Lab, the Library (CLR), MATH World, the Rose Thomas Writing Center and the Tutoring & Technology Center. Take control of your academic destination; it is all up to you.

In service,

Diane Hester
Interim Vice President for Student Success

How to Register!

The Alamo Colleges has a registration tool! The tool offers a modern interface, improved search capabilities, and more. Using the new tool, students can:

- Prepare for registration
- Synchronize existing degree plans
- View past schedules
- Browse classes and the course catalog
- Register for classes

Students needing assistance with the new registration tool are encouraged to visit <http://bit.ly/ACCDregistration> to watch a how-to video or contact their advising center for additional assistance.

New Student Orientation (NSO): NSO and Group Advising is mandatory for all First Time in College, Returning, and Transfer students. NSO is remote on a Canvas platform and accessible via your ACES portal within 2-3 business days upon successful completion of the Online Registration Form.

The preferred browser for the course is Google Chrome. Students must have a current/active admissions application on file to register and participate in the Canvas course. Visit <https://www.alamo.edu/spc/nso> . (Group Advising for new students available after completion of NSO to help with initial enrollment)

Preventive Steps

CDC recommends everyone stay up to date with COVID-19 vaccination, including all primary series doses and boosters for their age group. Getting a COVID-19 vaccine after you recover from COVID-19 infection provides added protection against COVID-19. People who are moderately or severely immune-compromised have different recommendations for COVID-19 vaccines, including boosters. In general, you do not need to wear a mask in outdoor settings. CDC recommends that instead of quarantining if you were exposed to COVID-19, you wear a high-quality mask for 10 days and get tested on day 5. CDC recommends that if you test positive for COVID-19, you stay home for at least 5 days and isolate from others in your home.

October is Sexual Assault Awareness Month.

This month we will focus on sexual assault. We will highlight the prevalence of sexual assault this month during our The Talk with SPC Nurses on Tuesday, October 11th at 1:00pm. One in five women in the U.S. experienced completed or attempted rape during their lifetime. Nearly a quarter (24.8%) of men in the U.S. experienced some form of contact sexual violence in their lifetime. Forty percent of rapes and sexual assaults were reported to police in 2017, but only about 25% were reported to police in 2018. The prevalence of false reporting for sexual assault crimes is low (between 2% to 10%). About half (51.1%) of female victims of rape reported being raped by an intimate partner and 40.8% by an acquaintance. We can build safe online spaces, because sexual harassment, assault, and abuse can happen anywhere, including online. As we connect online, we can learn how to practice digital consent, intervene when we see harmful content or behaviors, and ensure that online spaces — whether they be workspaces, classrooms, social media platforms, or otherwise — are respectful and safe.
