## Message from our Interim Vice President:

**Greetings SPC Tigers,**

The fall semester is coming to a close; I hope you have gained new knowledge and new information that will prepare you for your finals, and the next semester. As you prepare for final exams, utilize the resources the campus has to offer; the Integrated Reading and Writing Lab, the Rose Thomas Writing Center, the Byrd Sanctuary, Math World, the Center for Learning Resources (Library) and the Tutoring and Technology Center. It is time to put your study plan in place, stay focused on the end goal, and do your best on all your exams. As the holiday season approaches, I am hoping that you will have a wonderful Holiday sharing time with family, friends, and having wonderful conversations with people you have not seen in a while. When you are off during the Winter Break, take care, be safe, and enjoy yourself. Have a Merry Christmas and a Happy New Year.

In service,

Diane Hester  
Interim Vice President for Student Success  
St. Philip's College
