## **2021 Student Commencement Speaker**

### **Meaghan Setterbo**

**Meaghan Setterbo, 2021 Graduate**

*Meaghan Setterbo is a 2021 Northeast Lakeview College graduate. During her time as NLC, she has served in various leadership roles, each with increasing responsibility. Currently, she serves as the President of the NLC Student Government Association (SGA), Chair of the Alamo Colleges Student District Council, and Chair for the San Antonio Higher Education Representative Assembly. As SGA president, she represents the Class of 2021 by providing Commencement remarks. Additionally, she has served as the moderator for several college panel presentations and most recently, she served as a student panelist for the WICHE (Western Interstate Commission for Higher Education) Cooperative for Educational Technologies (WCET) conference in April, titled the EdTech Gambit, where she provided a student's perspective on digital literacy and shared her experience on being a college student and a student leader during the pandemic. She is a peer mentor in the Women Leaders of NLC and a member of the Performing Arts Club, Phi Theta Kappa, and National Society of Leadership & Success, among others. Meaghan is a Hurricane Harvey survivor. In fact, her*

*freshman year of college was completely derailed by the hurricane. She was studying at Texas A&M-Corpus Christi. Just starting the semester, she was told to evacuate and left with only a suitcase and some paperwork, leaving her car and other belongings behind. Completely losing her first year of college due to depression and anxiety she suffered, this led her to Northeast Lakeview College to rebuild and restart her education.*

*Meaghan's next step is to attend Texas State University to obtain a Bachelor's in Communication Studies with a Concentration in Interpersonal Communications. Ultimately, she hopes to pursue a Master's in Social Work.*

Northeast Lakeview College held a Virtual Recognition for the Class of 2020 last May. These graduates were offered the opportunity to participate in this year's in person Commencement Ceremony. We recognize them for their accomplishments and for celebrating with us today. Congratulations to all our graduates.

Dr. Veronica Garcia, President  
Northeast Lakeview College

*On behalf of the Northeast Lakeview College family, I am excited to extend a sincere congratulations to the class of 2021. As we closeout what was an unprecedented year, I recognize each of you for your perseverance, for rising to its challenges, and for achieving your goal. Our faculty, staff, and administration are honored to celebrate this milestone with you.*

*Our Nighthawks share a bond like no other and nothing can destroy our spirit of camaraderie. We develop leaders who are confident and resilient.*

*Guided by our mission, vision, and core values, our main focus is to prepare our graduates for their future; whether that be personal enrichment, transfer, or degree-seeking pathways for career preparation. Dedicated to one of our values of STUDENTS FIRST, our faculty, staff, and administrators continue to provide learning, academic support, and engagement to all our students, whether online, remotely, or in person.*

*Additionally, I applaud the families and special guests of the graduates. Your support and encouragement has played a role in their accomplishments.*

*Our graduates have now completed their time at Northeast Lakeview College and have become our newest alumni. I challenge them to continue to be their best self, to use the skills gained at our institution and those experiences they have yet to encounter to become the leaders I know they can be.*

*"Life throws challenges but with patience and resilience, you can convert every challenge into a new opportunity to grow" -Amit Ray*

## ***Commencement History and Traditions***

**Academic Regalia** - Academic gowns represent a tradition which comes down from the universities of the Middle Ages.

In 1895 in the United States, the Intercollegiate Commission prepared a code specifying the design and color of academic regalia. Under this code, the Bachelor's Gown has long pointed sleeves and is designed to be worn closed. The Master's Gown has an oblong sleeve, which gives the impression of a short sleeve. The rear part of its oblong shape is square cut, and the front portion has an arc cut away. The Doctor's Gown has bell-shaped sleeves. Doctor's and Master's recipients wear hoods which may represent the color of the college or university from which the degree is received.

Caps are the traditional mortarboard except for the Doctor's degree, where a four-sided velvet tam is optional. Caps from schools with special color gowns, or from foreign universities, may be more distinctive. Holders of all these degrees wear the tassel on the left. Candidates for graduation wear the tassel on the right.

**College Mace** - The mace is a traditional symbol of authority. During the Middle Ages the mace served the practical purpose of protecting the academic procession from local rowdies. Today, the mace is part of the heritage and pageantry of the academic procession.

**Honors** - The Honors designation is represented with a bright yellow cord.

**Judson Early College Academy** - The green stole represents students who attended and will be graduating with a high school diploma from the Judson Early High School Academy, in addition to receiving an associate degree from Northeast Lakeview College

**Military Designation** - Students and employees that are active duty or retired military are represented by a red, white, and blue cord.

**National Society of Leadership & Success** - The Society is the largest leadership society in the nation with a mission of building leaders to make a better world. Students complete a leadership program prior to induction and are represented with a grey designation.

**Phi Theta Kappa** - Members maintain an overall grade point average of 3.25 or above. These candidates have been inducted and have participated in the dues-paying International Honor Society for two-year college students. Phi Theta Kappa is represented by the gold honor stole.

**Student District Council (SDC)** - A district-wide representative council for the Student Governments of the colleges within the Alamo Colleges District, is the collective voice for the Alamo Colleges District student body. SDC delegates are instrumental in leading and effecting positive change for all students. SDC delegates are represented by the blue and white stole.

**Student Government Association** - Members are the official voice of the student body and link between the student body and the administration of the College to improve the quality and value of both the social and educational experience. SGA members are represented by a blue and white cord.
