

2016 PACFest COMMUNITY SURVEY

ALAMO
COLLEGES

PALO ALTO COLLEGE

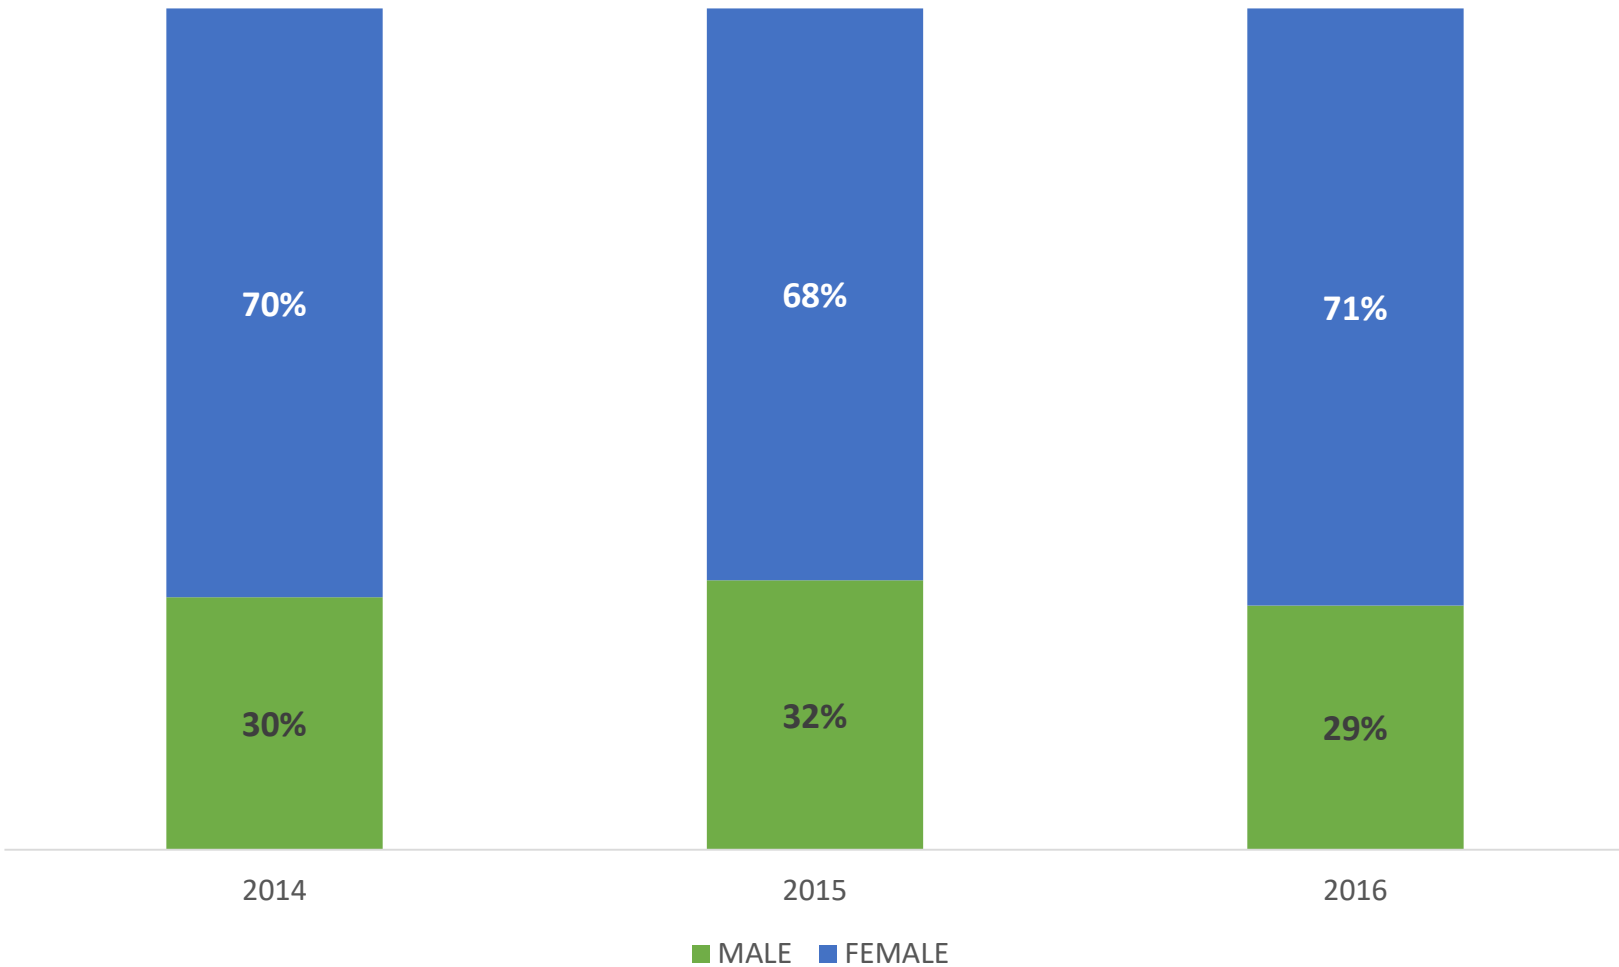

2016 PACFest Community Survey Methodology:

- ❖ The purpose of this survey is to improve PACFest activities and gain insight from the attending students, faculty, employees and the community as means of complying with *SACS 3.3.1.5.
- ❖ From 12:30 PM to 08:30 PM, the Office of Institutional Research obtained 716 surveys with assistance of 12 Staff volunteers. Surveys needed to be filled at least 50% in key areas.
- ❖ Individuals who completed surveys secured a give away prize (PACFest 2016 Lunchbag)

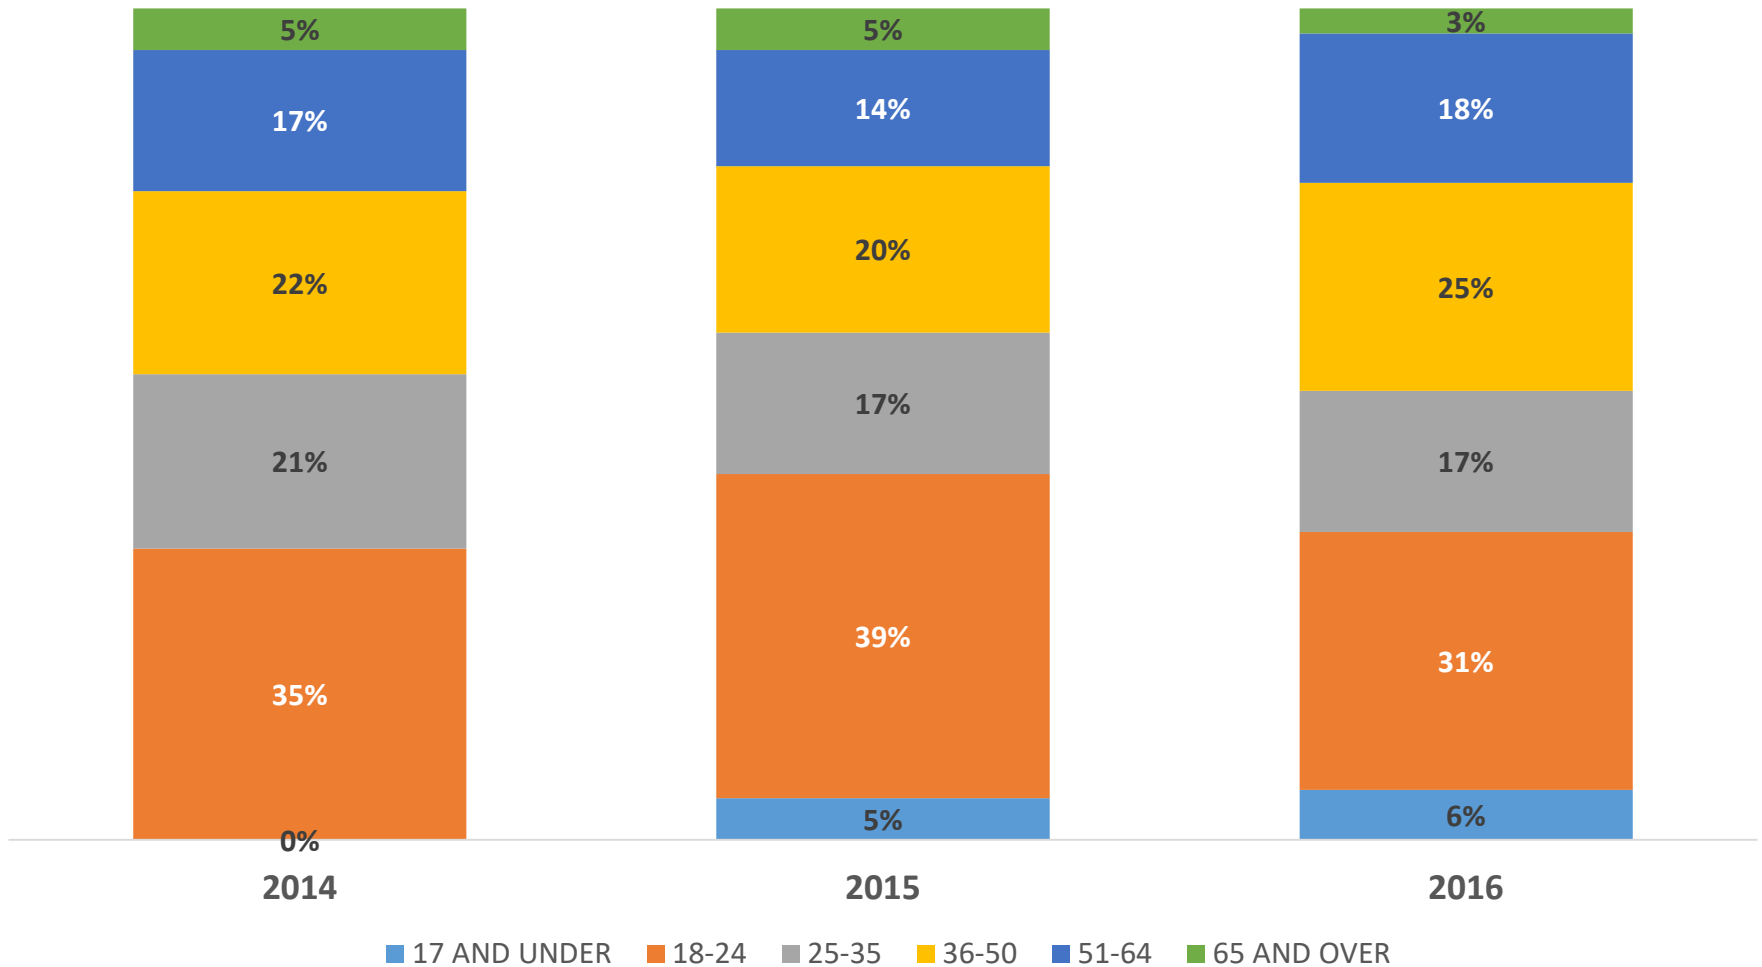

**SACS 3.3.1.5: The institution identifies expected outcomes, assesses the extent to which it achieves these outcomes, and provides evidence of improvement based on analysis of the results in each of the following areas: (Institutional Effectiveness). Community/public service within its mission, if appropriate*

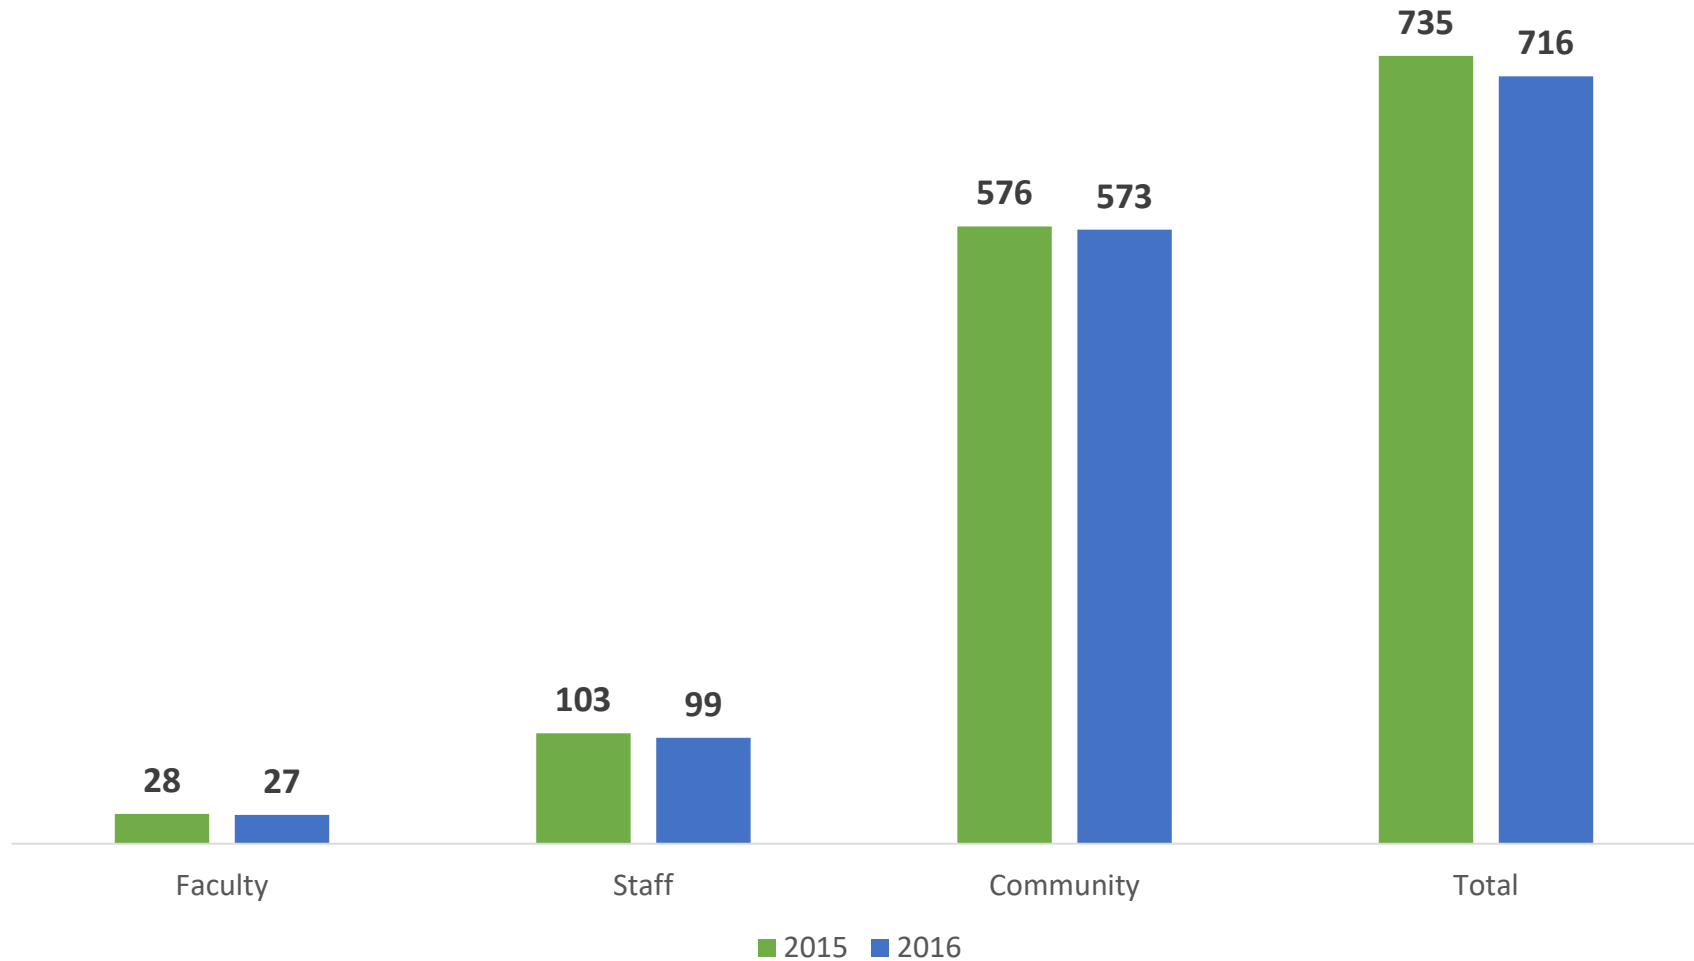

Historical Participant Gender:

Historical Age Distribution:

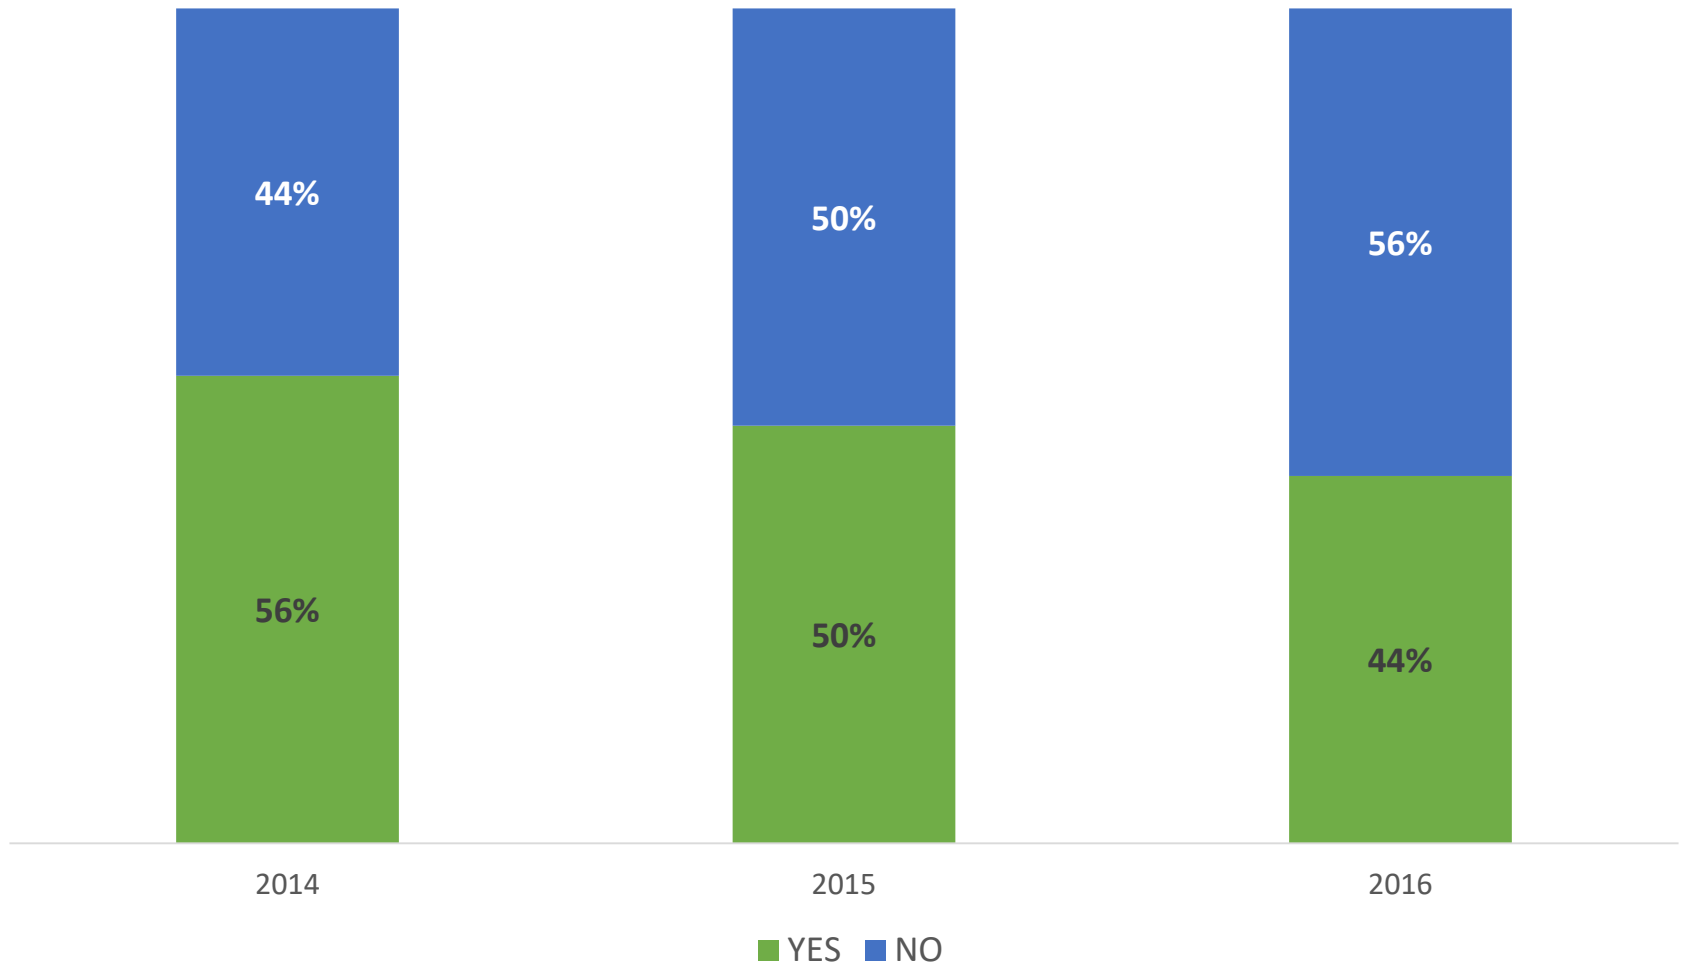

Historical Participant Type:

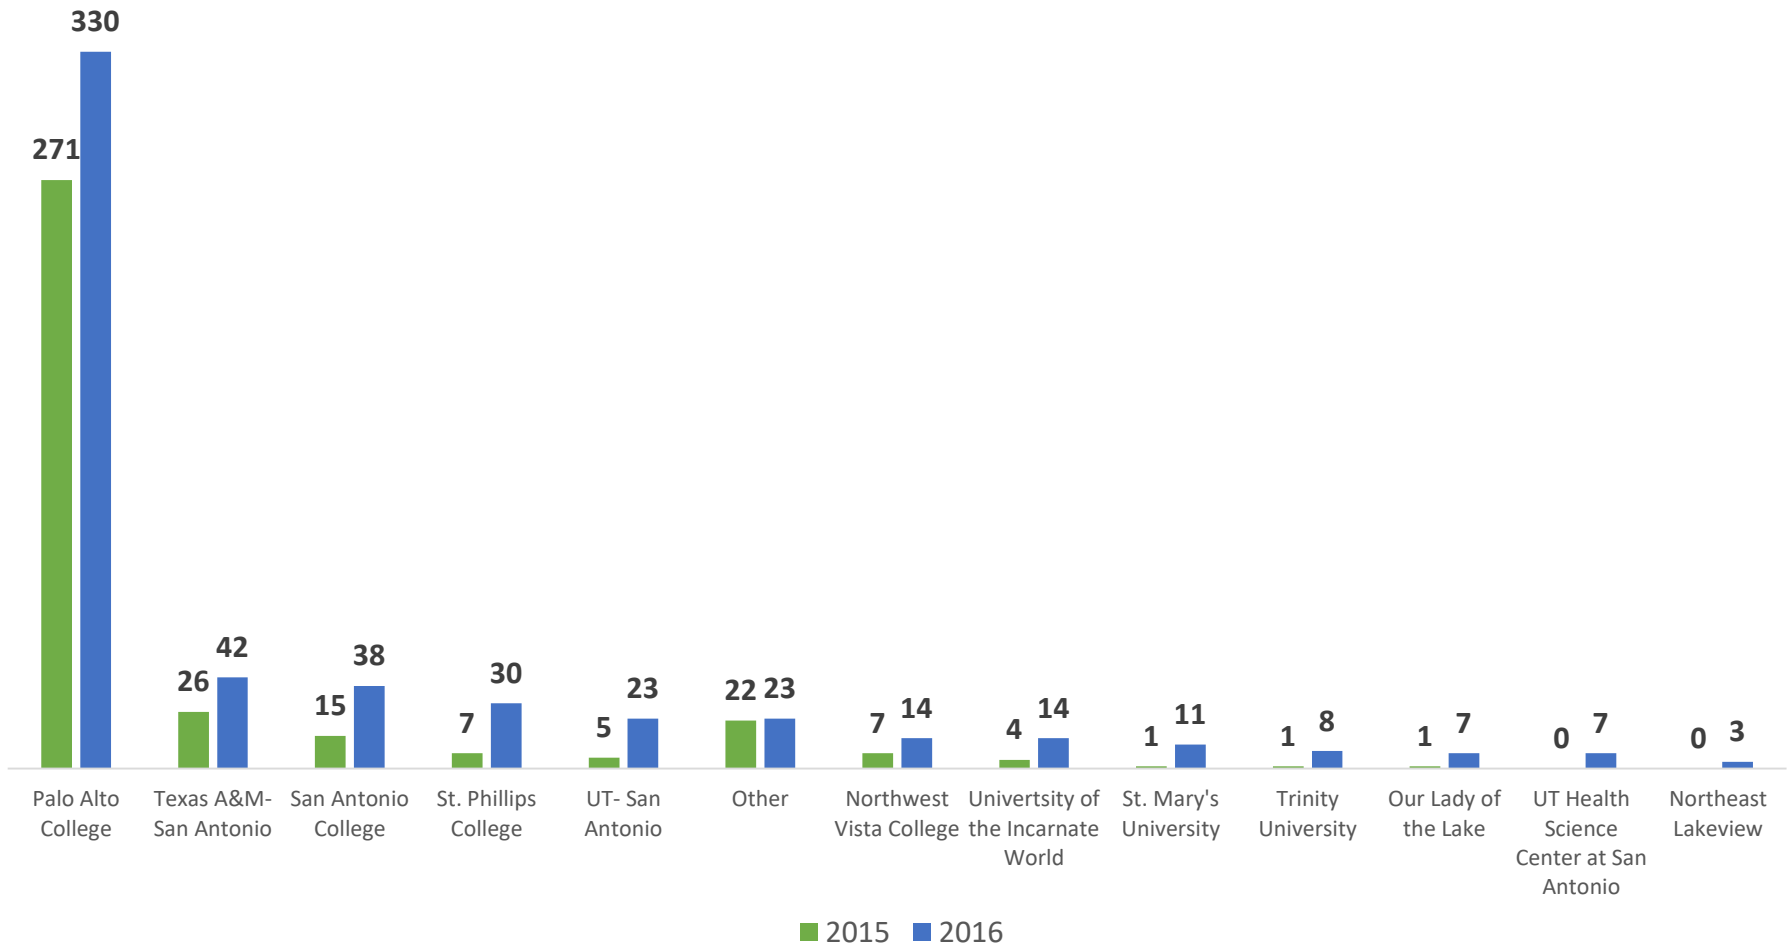

*Note: For 2016 the category community includes: Alamo Colleges student, San Antonio Resident and Texas Resident

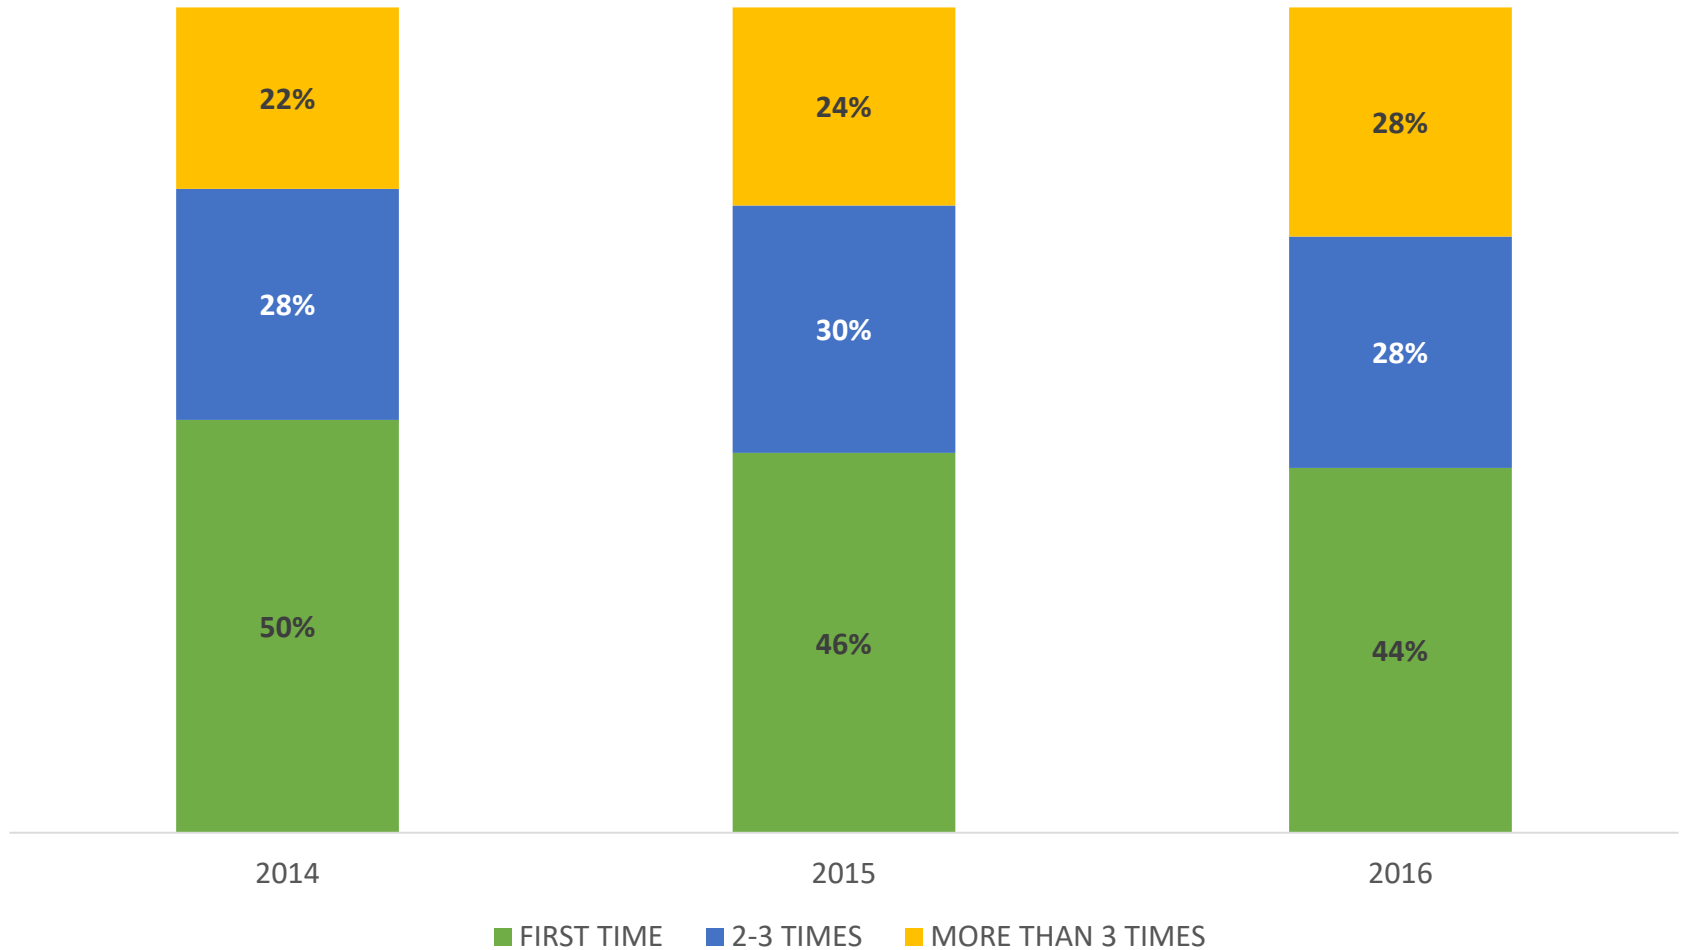

Are you currently enrolled at a college or university?

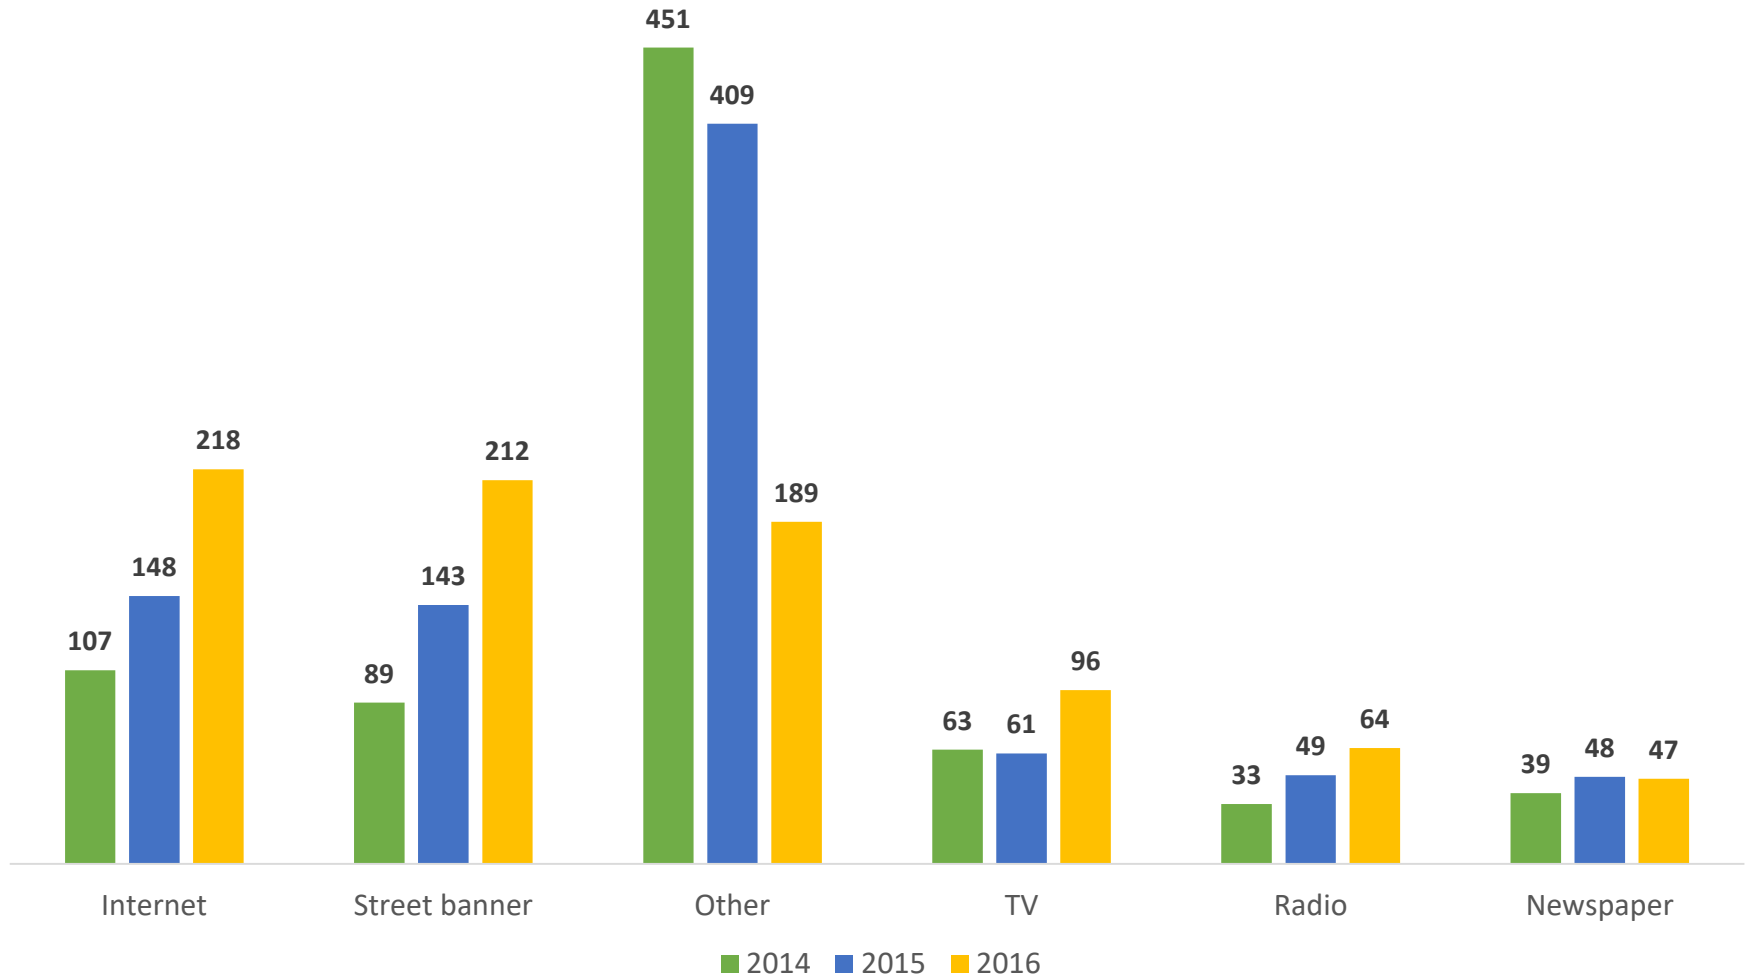

If you attend a college or university, please select any you are currently attending: (select any that apply)

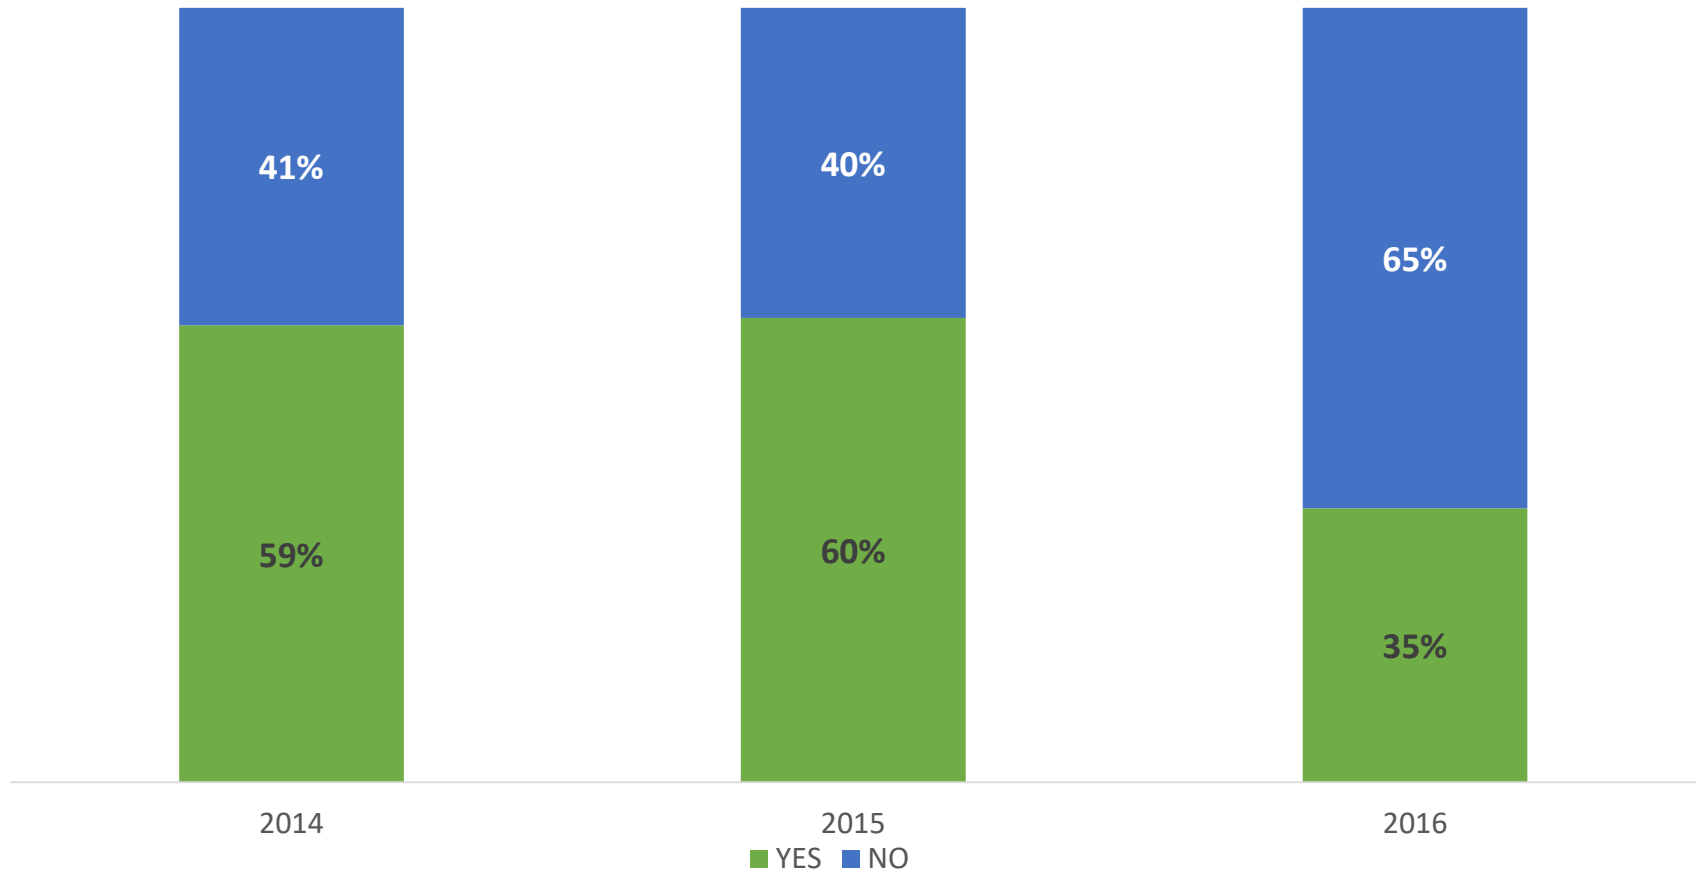

How many times have you attended PACFest?

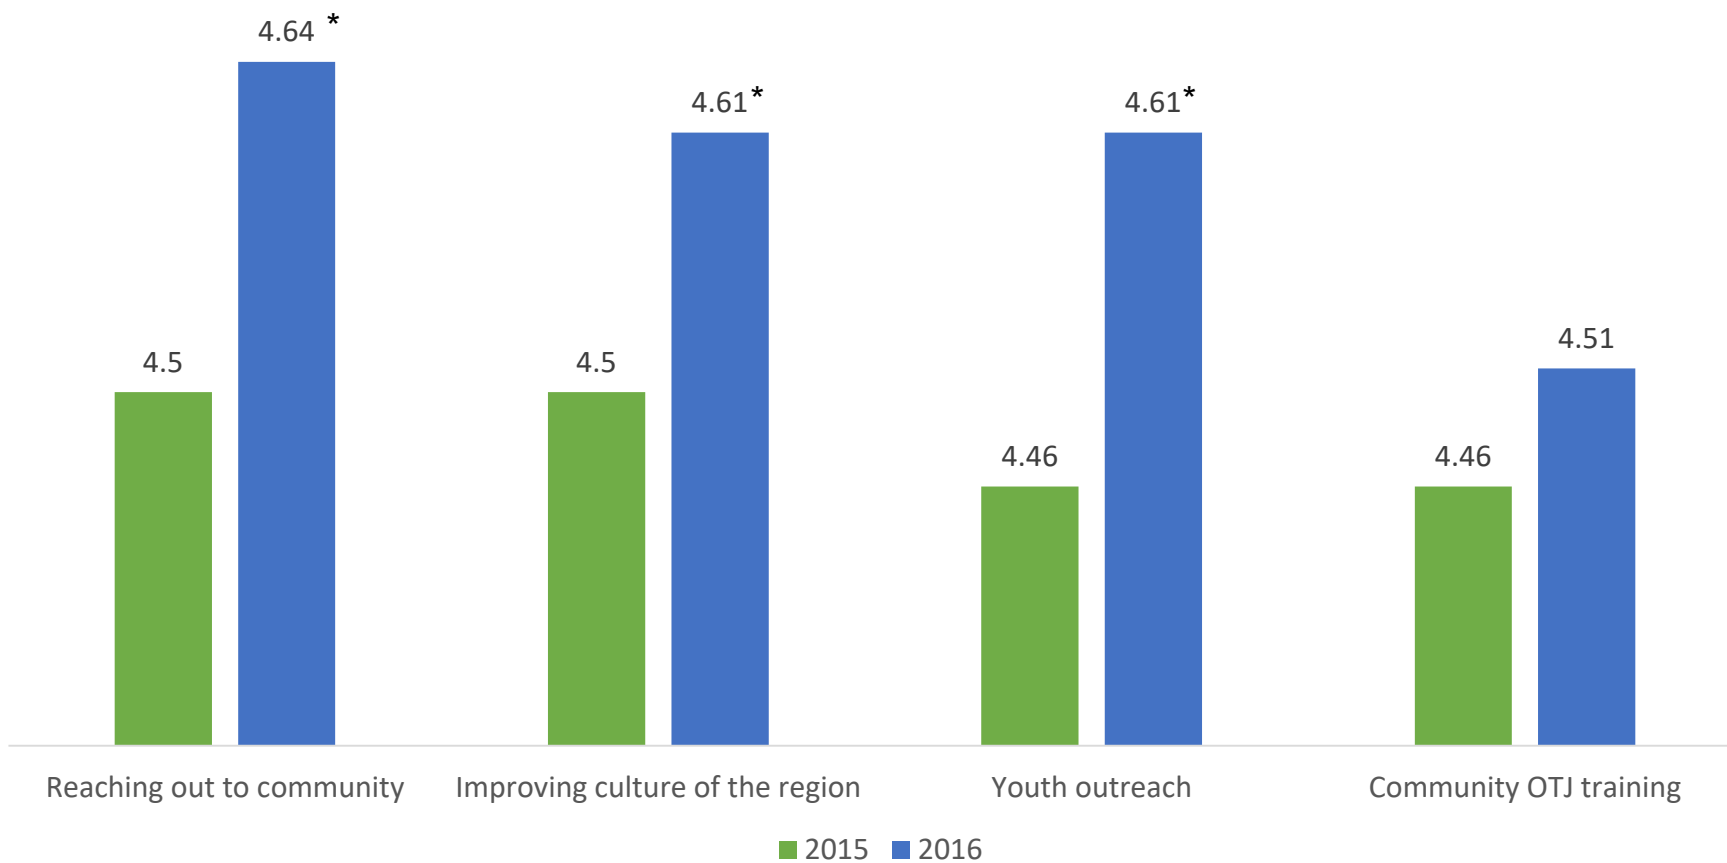

How did you hear about this year's PACFest?

Other than PACFest, have you ever attended any event at Palo Alto College, or used any of the services on campus?

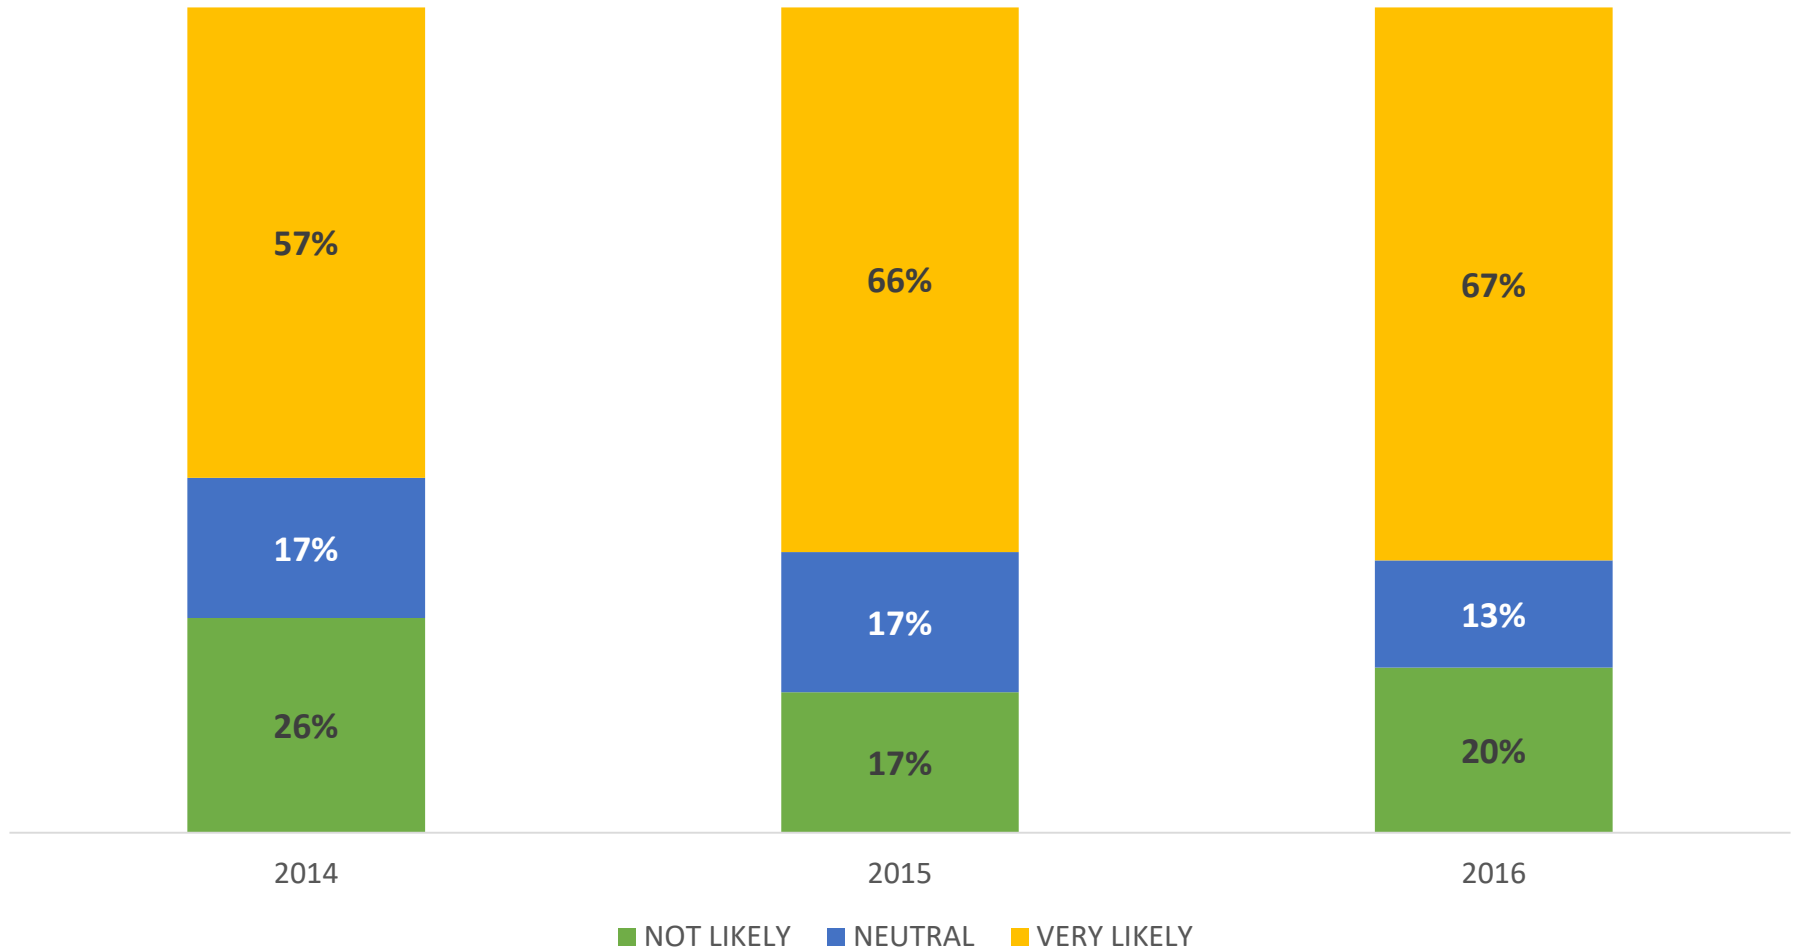

How would you rate Palo Alto College in the following areas:

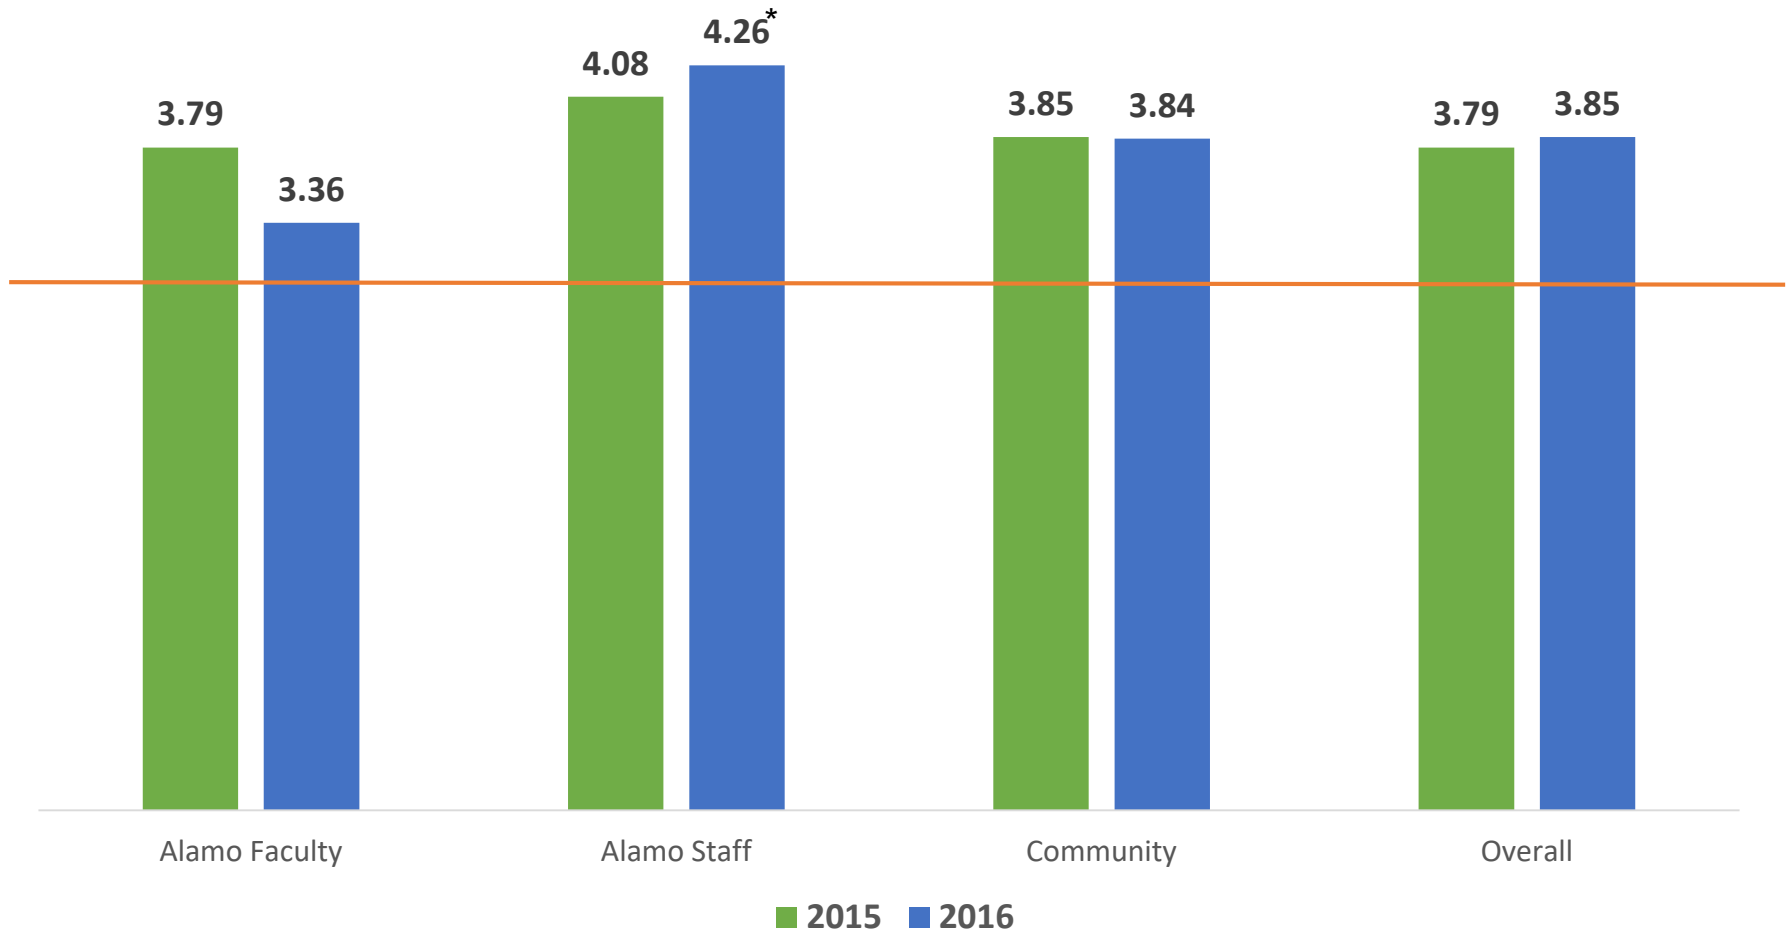

*Note: Statistically Significant

PACFest has historically been a non-alcoholic event. If beer was served in a restricted area, would you attend PACFest next year?
