Saint Philip's College plans to close the Southwest Prep High School (New Directions Campus) off-campus instructional site. The site is being closed because the high school phased out dual enrollment students from St. Philip's College and is moving them to another institution.

No students were enrolled in the program in the fall of 2021. Students were informed of the closure as soon as the switch to the other institution was finalized. Students will continue taking courses at the other institution. Students will not incur any additional charges because of the site closure. No faculty or staff will be affected by the site closure. All courses were taught via distance education by St. Philip's faculty.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Southwest Prep High School (New Directions Campus) off-campus instructional site (OCIS).

Should you need assistance, please contact Dr. Patricia L. Donat at 404-994-6558 or via email at pdonat@sacscoc.org.
