Dear Dr. Loston:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Associate of Applied Science (A.A.S.) in Manufacturing Operations Technician

Submission date:

12/16/2020

Intended Implementation date:

8/2/2021

Case ID:

SC012576

St. Philip's College has decided to close the Associate of Applied Science (A.A.S.) degree program in Manufacturing Operations Technician after the expiration of a contract with Continental Motors. The two remaining students from the final cohort have been informed of the closure. Courses will continue to be offered through summer 2022, allowing these students to complete their degree plan without disruption or additional expense. No faculty members will be adversely impacted as they will continue teaching in other manufacturing programs.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Associate of Applied Science (A.A.S.) degree program in Manufacturing Operations Technician.

Should you need assistance, please contact Dr. Patricia L. Donat at 404-679-4501 or via email at pdonat@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Note: The SACSCOC substantive change policy was revised in 2020. It includes many new requirements and changes to previous requirements. The Substantive Change Policy and
