

Tiger Pride

There is always great news to share about our St. Philip's College family. The following achievements align with our College Strategic Objectives: Student Success, Performance Excellence, and Principle-Centered Leadership. Stay up to date with our faculty, staff, and student accomplishments by reading the President's Newsletter online at alamo.edu/spc/newsletter and follow us on social media @GOSPC.

Student Success

SPC Students Earn Scholarships for HIT Studies

SPC Health Information Technology (HIT) students were awarded scholarships by the Texas Health Information Management Association (TXHIMA). The Evelyn L. Cockrell Scholarship (\$1,000) was awarded to Alyssa Mata, who was a driving force behind the creation of a HIT student organization. TXHIMA HIT Program Scholarship (\$1,000) was awarded to Alexandria Twitchell and the Outstanding Student Scholarship (\$1,000) was awarded to Julissa Avila. Each student will participate in the Texas Health Information Management Association conference.

Performance Excellence

SPC Students Receive Gas Cards in Support of Retention

Students in the Applied Science & Health Sciences Divisions received over 1,000 gas cards for the Spring semester due to COVID-19. Funding was paid under the Carl Perkins Grant. The \$10 gas cards support retention and persistence by helping students defray transportation costs to attend class. The Carl D. Perkins Career and Technical Education Act of 2006 supports academic achievement of career and technical education students.

Principle-Centered Leadership

SPC Students Participate in 'Truth and Reconciliation'

SPC Department of Student Life recruited three students in Spring to participate in the 2021 Truth and Reconciliation Oral History Project, hosted virtually by Wiley College. After extensive training, SPC students Mathew Ramos, Chrishall Armstrong and Faith Williams assisted the Marshall, Texas community in collecting and sharing stories of discrimination and racism. Interviews were transcribed and added to data from previous years. The event was held at SPC in 2019.
