Within the AlamoCARES site, you will find information on rights granted by **Title IX** and resources to help educate and assist you when dealing with harassment and sexual violence. Coming soon are events, training and opportunities to bring awareness when dealing with difficult issues and creating discussion opportunities with students. Visit us at <http://alamo.edu/spc/alamocares/> for more information.

The Alamo Colleges District encourage individuals to bring forward information/complaints about sexual harassment and sexual violence. **Retaliation** against any **individual who reports or participates** in the investigation of alleged violations is **strictly forbidden** and will be **enforced** by the College administration.

## What should I do if I believe an enforcement action has taken place that is inconsistent with this guidance?

DHS has explained that there are a number of locations where an individual may lodge a complaint with DHS about a particular immigration enforcement action that may have taken place in violation of these or other policies. You may find information about these locations, and information about how to file a complaint, on the DHS website at <https://www.dhs.gov/>, the CBP website at <https://www.cbp.gov/>, or ICE website at <https://www.ice.gov/>.

You may contact ICE Enforcement and Removal Operations (ERO) through the Detention Reporting and Information Line at 888-351-4024 or through the ERO information email address at [ERO.INFO@ice.dhs.gov](mailto:ERO.INFO@ice.dhs.gov), also available at <https://www.ice.gov/webform/ero-contact-form>. The Civil Liberties Division of the ICE Office of Diversity and Civil Rights may be contacted at 202-732-0092 or [ICE.Civil.Liberties@ice.dhs.gov](mailto:ICE.Civil.Liberties@ice.dhs.gov).

You may contact the CBP Information Center to file a complaint or compliment via phone at 877-227-5511, or submit an email through the website at <https://help.cbp.gov>.

## Where should I report discrimination if I believe it is taking place in my school?

Anyone with information about discrimination occurring in schools, including discrimination on the basis of race, color, or national origin (which may include citizenship or immigration status), may file a complaint by contacting the U.S. Department of Education, Office for Civil Rights via <https://www.state.gov/s/ocr/>, 800-421-3481 or TDD: 800-877-8339 (for language assistance contact 800-USA-LEARN (800-872-5327)) or by contacting the U.S. Department of Justice, Civil Rights Division, Educational Opportunities Section via <https://www.justice.gov/crt/educational-opportunities-section>, 877-292-3804, or TTY: 800-514-0383.

## Will enforcement actions ever occur at sensitive locations?

DHS has explained that immigration enforcement actions may occur at sensitive locations in limited circumstances, but should generally be avoided. DHS officers and agents from U.S. Immigration and Customs Enforcement (ICE) or U.S. Customs and Border Protection (CBP) may conduct an enforcement action at a sensitive location only with prior approval from an appropriate supervisory DHS official, or if the enforcement action involves exigent circumstances related to national security, terrorism, or public safety, or where there is imminent risk of destruction of evidence material to an ongoing criminal case.

For more information about these civil rights protections, please see the U.S. Department of Education (ED) and U.S. Department of Justice joint Dear Colleague letter <https://www2.ed.gov/about/offices/list/ocr/letters/colleague-201309.html>

## FACT SHEET FOR FAMILIES AND SCHOOL STAFF: LIMITATIONS ON DHS IMMIGRATION ENFORCEMENT ACTIONS AT SENSITIVE LOCATIONS

All children have a right to a free public education, regardless of their actual or perceived immigration or citizenship status or that of their parents.<sup>1</sup> Education leaders, teachers, students, and families, have asked questions about guidance that was released by the U.S. Department of Homeland Security (DHS) that limits immigration enforcement actions from occurring at schools and other “sensitive locations.” This DHS guidance is at: <https://www.cbp.gov/border-security/sensitive-locations-faqs>. To respond to those questions, the U.S. Department of Education has worked with DHS to prepare this fact sheet, intended to help parents, families, educators, and other school staff understand the DHS guidance.

In general, DHS has explained that immigration enforcement actions may not occur at or in “sensitive locations.”

These locations include:

Schools, such as known and licensed daycares, pre-schools and other early learning programs; primary schools; secondary schools; post-secondary schools up to and including colleges and universities; as well as scholastic or education-related activities or events.

School bus stops that are marked and/or known to the officer, during periods when children are present at the stop.

Medical treatment and health care facilities, such as hospitals, doctors' offices, accredited health clinics, and emergent or urgent care facilities.

Places of worship, such as churches, synagogues, mosques, and temples.

Religious or civil ceremonies or observances, such as funerals and weddings.

During public demonstrations, such as a march, rally, or parade.

## REV UP!

**EVEN A HIGH-EFFICIENCY EDUCATION ENGINE NEEDS REVENUE TO FUEL IT.**

In the race to provide South Texas with affordable academic and workforce education, the colleges of the Alamo Colleges District have created an extraordinarily high performance machine. But even the most efficient engine needs revenue to fuel it properly.

**ACD has the 8th lowest tuition and fee rate in Texas.\***

**\$200 - \$1700  
LESS**  
per credit hour than other area colleges and universities.

Since 2011, tuition here has crept up  
**ONLY 8% VS. OVER 35%**  
at most Texas colleges.

ACD STUDENTS PAY  
**ONLY 19¢**  
out of pocket for each expense dollar.

**Yet we consistently yield high performance success.**

Real student success -  
**244%↑**  
increase in degree and program completion rates since 2005.

**1M** Preparation to serve a population increase of **over 1M** in our area by 2035.  
Source: census.gov and Texas Demographic Center Projections

**Now, state funding cuts threaten our ability to serve over 80,000 students annually.**

**STATE MONEY.**  
**10%**  
We compete with **50 peer colleges** for a share of a declining pool of money.

Challenges will include: "unfunded growth" and a potential **10% cut**.

**PROPERTY TAX REVENUE.**

Previously, we used excess to fund expenses and keep tuition flat. Now, **100%** must go for new building operating costs.

**TUITION.**

With insufficient state and tuition revenue streams causing us to **LOSE MONEY** as we grow, tuition must go up or we'll have to cap growth.

**THE SOLUTION:**

A \$13/credit hour "catch-up" increase starting in Spring 2019.

**Why is this actually good news?**

**\$4/hr↓**

**Tuition and fees:** Still affordable - \$4/hour below statewide average!\*

**OVER 75%**

of students cover costs via financial aid grants, waivers or 3rd parties (including military). Pell Grant recipients - added costs more than covered by recent grant increases alone!

**STUDENT BENEFITS**  
STILL FAR OUTWEIGH THE INCREASE.

Personalized advising means

**INCREASED DEGREE/  
PROGRAM COMPLETION.**

New institute advising ensures every ACD class is degree applicable upon transfer to student's preferred university, so each student:

**SAVES \$8,800 - \$52,800**  
public university private university

In short, we're still in the race. And still working to make our students winners - first, last and always.
