

## Dual Credit Check List

### Student Responsibilities

1. **Communicate your interest to your high school counselor**
2. **Complete Apply Texas application as a Dual Credit Student**  
Linked is the [Step by Step guide for Apply Texas](#) for completion of Apply Texas application for Dual Credit Students.
3. **Log into ACES**  
[ACES](#) is the official online student portal for Alamo Colleges. ACES allows students access to: college resources, course content, student email, and general student information. (Counselor or High School Program Liaison will provide your ACES username and Banner ID)
4. **Complete Alamo Enroll Modules**  
Students must complete the test prep modules below:
  - Test Prep module (*must complete before taking the TSI Assessment*).
5. **Complete TSI**  
Texas law requires students to complete assessments in reading, writing, and mathematics before enrolling in college. The Texas Success Initiative (TSI) mandates that any new undergraduate student entering a public institution must be assessed for readiness to enroll in college coursework. Coordinate with your high school counselor on TSI test dates and testing requirements.

### High School Counselor Responsibilities (see website for more info.):

- Information Session
- Application and Test modules
- TSI examination (HS Counselor will schedule exam tests dates in all 3 areas and communicate test results with High School Program Liaison)
- Documentation Submission
- Course Recommendations
