If Students want Open Math Lab Tutoring (JH 316)

Who should use this:	Any Math Student
What should students use:	JH 316 Zoom Link – Through their Canvas page
When is this available:	M: 8 am – 9 pm TWR: 7 am – 9 pm F: 8 am – 5 pm [Summer: CLOSED] Saturday and Sunday: CLOSED

How do students access Zoom:

- Students will click on a link that will place them into an open zoom conference. A tutor may place them into a breakout room to help them. Tutors will be able to move from room to room to check if there are any questions while students are able to work with each other if they wish to do so.

If Students want 1-on-1 Tutoring (JH 308)

Who should use this:	MATH 0410, 0320, 1314, 1324, 1332, 1342, 1350, 1351, 1414 (Including Co-Req)
What should students use:	JH 308 Zoom Link – Through their Canvas page
When is this available:	MTWR: 8 am – 9 pm F: 8 am – 2 pm [Summer: CLOSED] Saturday and Sunday: CLOSED

How do students access Zoom:

- Students will click on a link that will place them into an open zoom conference. A tutor may place them into a breakout room for their 1 on 1 tutoring session. A tutor will work with the student individually while the other tutors wait to assist incoming students.

If Students want Math Advising (JH 308)

Who should use this:	Math Students needing Advising
What should students use:	JH 308 Zoom Link – Through their Canvas page
When is this available:	MTWR: 8 am – 9 pm F: 8 am – 2 pm [Summer: CLOSED] Saturday and Sunday: CLOSED

- How do students access Zoom:
 - Students will click on a link that will place them into an open zoom conference. The student will be moved from the open room to a private break out room. An Academic Program Specialist will advise the student individually.
- Additional Information:
 - The standard math advising where students normally walk in or call in will be handled as follows:
 - **Students** needing advising will follow the JH 308 Zoom Link – Through their Canvas page
 - **Faculty/Adjuncts/Advisors** needing help
 - Call Jesse Harbert or follow the link for assistance: [Math Advising for JH 308](#)
