AWARDS

Presentation of the Virtual Showcase Awards

ABOUT THE PRESENTERS

KELSIE JASKINIA is graduating PAC in May with a teaching associate. Will be attending TAMUSA in Fall 2021.

LESLIE MARTINEZ is currently in the sophomore year of PAC and will be attending The University of Arlington in Fall 2021. Is also currently majoring in Public Relations.

NATHAN CRUZ is currently on my last semester at Palo Alto College. I am currently studying to become a 3rd or 4th-grade math teacher. After Palo Alto College, I plan to attend Texas A&M San Antonio to obtain my bachelor's degree.

ALEX TORRES is currently majoring in business administration. After Palo Alto College, I plan to transfer to Texas A&M San Antonio to obtain my bachelor's degree in business administration.

ALYSSA DE LA ROSA is an early college student who is currently attending Palo Alto College and John F Kennedy High school. Is majoring in Arts.

EMELIA ARROYO is an early college student who is currently attending Palo Alto College and John F Kennedy High school. Wishes to travel around the world one day.

LUIS MAGANA currently attends St. Mary's University, but will be graduating in May 2021 with his B.S. degree in Mechanical Engineering. Throughout his 4-years, Luis was an active member of Enactus where he partnered with REDS to fund the education of children in India, worked with The FAO to help a community of farmers in Panama to market their business, and Pro Niño of Darién to improve the quality of life for children in Panama.

JOSÉ HERNÁNDEZ is graduating from St. Mary's University in May 2021.

WILZAVE QUILES-GUZMÁN is a current junior at St. Mary's University. I am a double major in Environmental Science and International and Global Studies with a certificate in Public Health and my expected graduation date is May 2022. At school I am mainly involved in two organizations which are ENACTUS and Humanitarians. In Enactus I am a project lead for Panamá - Mariposa, and for the humanitarians organization I am the service officer. I enjoy to hike, different languages, and love water management and conservation.

ABOUT THE PRESENTERS (continued)

TAYLOR MURPHY is a senior at the University of Incarnate Word set to graduate in December 2021. She is dual enrolled at The University of Texas at San Antonio as a cadet with the United States Air Force Reserves Officer Core (AFROTC). After graduation, she will be commissioned as an Air Force Weather Officer. Taylor is a mother to her greatest achievement, her 10yr old son Justin.

CHASTITY NEVAREZ is attending Palo Alto College. Chastity is majoring in Child Development and will be transferring this fall to Texas A&M-San Antonio, where she will be continuing her education in receiving her Bachelor's to become a school counselor.

GABRIELLA RENTERIA is attending Palo Alto College. Gabriella is majoring in Art and will be transferring this fall to the University of Texas at San Antonio, where she continues on her education in receiving a Bachelor's in Fine Arts.

MONSERAT GARCIA is twenty years old and I am currently going to Palo Alto college to get my associates. When I graduate from Palo Alto I am going to go to UTSA to get my degree in teaching. My major right now is music education, I want to become a music teacher but I still do not know what level I want to teach yet. I am stuck on teaching in a high school or teach in a college/ university. My dream school I want to teach at is MI Musicians Institute. It is located in California, And for a high school I would like to teach at my old high school. The reason I would like to teach at my old high school is because that school was the reason I went into music and want to become a music teacher.

LAUREN REYES attends Palo Alto College majoring in Psychology.

ERIKA CADENA attends Palo Alto College majoring in Education.

ALYSSA MAIRE HINOJOSA is a student at Palo Alto College, and hopes you enjoy their presentation.

SARAH RODRIGUEZ is a student at Palo Alto College, and hopes you enjoy their presentation.

KIMBERLY GARCIA is a business major, and I am in my second year of college at Palo Alto College. I hope to one day open my own business with nothing but sustainable packaging, so that way I can help be a little kinder to our Earth.

NATALIE RAMIREZ is a sophomore at San Antonio college. She is currently working towards an associate's degree in History.

DELIA DELEON is an Early College High School student for Palo Alto College and Memorial High School.
