

Grant Information and Student Consent

- We offer a grant(s) for students seeking child care assistance. Slots fill up quickly so please do not wait until the last minute to turn in your completed application. Classroom placement begins in July for the Fall semester and the first week in December for the Spring semester. Child care slots are dependent upon availability of grant funds. Slots are not guaranteed.
- All students must submit an *application* for child care services each Fall semester.** Returning students must submit a ***Renewal Form*** each spring semester with required documentation.
- If you do not receive a slot and are on the waiting list, you must submit a current Degree Plan, a Concise Student Schedule, Financial Aid Award History, and Account Summary for semester you are seeking services. This is necessary to keep our records current.
- Grants are offered to low income students of San Antonio College. If a student leaves SAC, even to transfer to another college, child care slots become available to qualified students on the waiting list.
- I understand this is not free child care, but it is substantially reduced. **I am responsible for paying \$15.00 or \$20.00 a week per child for 16 weeks. This fee is based on my income. The registration fee for the semester for each child is \$40.00.** You will be notified of tuition and payment due dates when you are notified regarding your acceptance.
- Updated proof of immunization record and a physical exam within the past six months will be requested when approved for child care assistance.
- You will be notified by phone if you have been chosen to receive the award. **IF YOU DO NOT RECEIVE A PHONE CALL OR ARE UNAVAILABLE TO BE THROUGH PHONE, IT WILL BE YOUR RESPONSIBILITY TO CALL THE DEPARTMENT OF EARLY CHILDHOOD STUDIES (210) 486-0500 TO FIND OUT YOUR CHILD CARE STATUS.**
- I understand that if I do not meet all the program requirements by the given due dates, I will NOT receive grant funds. I will pay the child care center my balance due. I further agree to contact the Early Childhood Center (210) 486-0500 if my status as a student changes.

Receipt of the above information completes the application process. Incomplete applications will not be placed on the waitlist for placement and funding.
