TEXAS SFST TRAINING PROGRAM

The SFST Training Program offers a FREE 8-hour Refresher Course (TCOLE 2177 or 2178). As the primary source of statewide SFST refresher training, our program is designed to improve the administration and overall consistency of the Standardized Field Sobriety Test (SFST) Battery.

Our mission is to decrease alcohol-related crashes, injuries, and deaths by promoting DWI deterrence and enforcement proficiency.

The SFST Program is funded by the Texas Department of Transportation, in an effort to give Texas Peace Officers access to this important and FREE training.

Successful completion of the Standardized Field Sobriety Testing Practitioner Course is a prerequisite.
