San Antonio College Alma Mater

We are San Antonio College, and singing side by side

We hail our Alma Mater with loyalty and pride!

Tho we all might be quite different, our unity abounds

And to San Antonio College our grateful song resounds.

To all our sons and daughters, proud offspring of the mind,

To all who teach and lead us to serve all humankind,

To future generations and those who've gone before,

To San Antonio College we'll sing praises evermore!

American Sign Language (ASL) interpreting services provided by the ASL Glee Club and ASL Interpreter-Training program.

Special thanks to H-E-B for the beautiful flowers for our commencement ceremony.

About San Antonio College

Founded in 1925, San Antonio College is the oldest two-year college in Texas, one of the largest single-campus community colleges in the state and nation, and the largest within the Alamo Colleges District.

Winner of the 2021 Aspen Prize for Community College Excellence, SAC is designated as an official Hispanic Serving Institution. It recently received the prestigious Seal of Excelencia certification for intentional, data-informed work to support its Latino student population. SAC also serves one of the largest student veteran populations in the state and has been honored multiple times with the Veteran Education Excellence Recognition Gold Award from the Texas Veterans Commission.

SAC offers courses in the arts and sciences and professional/technical fields and is a leader in online education. For more information, visit: alamo.edu/sac.

MESSAGE FROM THE INTERIM PRESIDENT

Dear Graduates:

Today you are surrounded by your family.

In the audience are wives, husbands, daughters, sons, mothers, fathers, grandmothers, grandfathers, and best friends.

Today we are all here to celebrate you and your many accomplishments, so sit back, take it in, and enjoy this time. After all, when will you next be in a room where over 10,000 people will be present to celebrate you?

Today is not an end, but instead a beginning!

Today is not about luck, nor is it about coincidence. It is about the completion of a carefully crafted strategic plan that included timelines, budgets, goals, metrics, assessments, and data review. And you designed, implemented, and adjusted the plan.

At no time in history has the world been more prepared for what you will accomplish in your lifetime.

Today you leave here with your credential, certificate, or degree.

Which of you will be the next chief nursing officer, chief of police, or fire chief? Which of you will serve as the next chief executive officer, chief operating officer, or chief financial officer? Which of you will be the next poet laureate of San Antonio,

Francisco E. Solis, J.D.

Interim President of
San Antonio College

the next artist in residence at the Tobin Center, or the next musician to lead the San Antonio Philharmonic?

Today I am asking you to take your seat at the table, because you have earned it.

At no time in my lifetime have I felt more comfortable knowing that our future is in your hands.

You see, we – all of us – are from one race: the human race! We share one home: Earth! And I know that you will care for her, not just for me, nor just for yourself, but for our combined future.

Congratulations, Class of 2024.

Sincerely,

A handwritten signature in black ink that reads "Francisco E. Solis".

KEYNOTE SPEAKER AND HONORARY DEGREE RECIPIENT

Former astronaut and retired U.S. Air Force colonel Eileen M. Collins was the first woman to pilot and command a space shuttle. She retired from military service in January 2005 and from NASA in May 2006 after a distinguished 28-year career.

After graduation from Elmira Free Academy in 1974, she attended Corning Community College, earning an associate degree in mathematics/science in 1976. She then received a bachelor's degree in mathematics and economics from Syracuse University in 1978, where she was an Air Force ROTC Distinguished Graduate. She earned a master of science degree in operations research from Stanford University in 1986, and a master of arts degree in space systems management from Webster University in 1989.

Collins graduated in 1979 from Air Force Undergraduate Pilot Training at Vance Air Force Base, Oklahoma. From 1986 to 1989, she served at the U.S. Air Force Academy as an assistant professor in mathematics and a T-41 instructor pilot.

She graduated from the Air Force Test Pilot School at Edwards Air Force Base, California, in 1990. She was selected by NASA and became an astronaut in July 1991. After tours of duty at Kennedy Space Center (shuttle launch and landing) and Johnson Space Center (shuttle engineer and capsule communicator), she flew the space shuttle as pilot in 1995 aboard Discovery.

Eileen M. Collins

Former Astronaut and Retired
U.S. Air Force Colonel

This mission was the first space shuttle to rendezvous with the Russian Space Station MIR. She was also the pilot for Atlantis in 1997, where her crew docked with MIR.

Collins became the first woman commander of a U.S. spacecraft with shuttle mission Columbia in 1999, for the deployment of the Chandra X-Ray Observatory. Her final space flight was as commander of Discovery in 2005, for the "Return to Flight Mission" after the tragic loss of Columbia. She has logged more than 6,751 hours in 30 different types of aircraft and more than 872 hours in space as a veteran of four space flights.

Collins is now a professional speaker and aerospace consultant and serves on several boards and advisory panels, including the Scobee Education Center at San Antonio College. She is married with two children.

Note: The appearance or absence of any name in the program does not necessarily constitute the final awarding of a degree. The official awarding of a degree requires the completion of a final degree audit. Participation in a commencement ceremony does not ensure automatic fulfillment of requirements or that a degree will be awarded at the time of the ceremony.

AA	Associate of Arts	AAT	Associate of Arts in Teaching
AS	Associate of Science	C	Certificate
AAS	Associate of Applied Science		

ABOUT THE CEREMONY

Academic Regalia

Academic gowns represent a tradition that comes from the Middle Ages. At the time, gowns were a daily form of dress. Today, the official color for community colleges' gowns is blue, but San Antonio College uses its signature color of 'SAC red,' while BSN candidates for graduation wear black. Graduation caps, also known as mortarboards, are worn with the tassel on the right until a degree is awarded, and then the tassel is moved to the left.

Presidential Medallion

The presidential medallion is worn by the president of the college at all commencement ceremonies as a sign of authority. The medallion is imprinted with the official seal of San Antonio College and was designed by J. Ingle, a former Visual Arts professor.

Mace

The Faculty Senate President carries a mace as a traditional symbol of authority. During the Middle Ages, the mace served the practical purpose of protecting the academic procession from local rowdies. Today, the mace is part of the heritage and pageantry of the academic procession.

Honor Cords

Gold – Phi Theta Kappa

Black – G.P.A. of 3.5 or higher

Blue – SAC Honors Academy

Purple – Distinguished Graduate

Silver – Student Ambassador

Red, White & Blue – Military Service

Red & Platinum – Student Government Association

Black & Platinum – National Society of Leadership & Success

Blue, White & Gold – PATH Program

Graduating with Honors

Students who earn a cumulative GPA of 3.5 or higher are recognized as “graduating with honors.” The students wear black cords as part of the academic regalia and participate in a special Honors Ceremony.

Distinguished Graduates

Every year, each academic department at San Antonio College recognizes one outstanding graduate. Students receive special recognition at the commencement ceremony by wearing a purple cord to signify their status.

Phi Theta Kappa

Phi Theta Kappa is the international honor society for community, technical and junior colleges. It is based on four hallmarks: scholarship, leadership, fellowship and service. For membership, each candidate must have completed 12 semester hours of associate degree work with a 3.5 GPA, adhere to the school conduct codes and possess recognized qualities of leadership.

Student District Council

The delegates of the Student District Council (SDC), a district-wide representative council for the Student Governments of the colleges within the Alamo Colleges District, are the collective voice for the Alamo Colleges District student body. The SDC delegates are instrumental in leading and effecting positive change for all students. SDC delegates are represented by the blue and white stole.
