

WORK STUDY **PROFESSIONAL DEVELOPMENT**

Professional & Career Development for Work-study Student Employees

Work-study student employees of the Alamo Colleges, we have a new professional development program to help you develop career readiness competencies, and gain experience in preparation for your career. Your first session begins with orientation.

**Get paid to improve
your skills**

**Gain
experience**

**Build your
resume**

How to Access the Sessions in AlamoTALENT

1. Log into ACES with your username/password to access AlamoTALENT.
2. Select the **Employee** Tab. Click on the **AlamoTALENT** logo.
3. Use the search box in the top right corner, to search and follow the playlist:

Work-study Student Employee - Professional Development

Begin by registering for Orientation

[Start Now](#)

Speak with your supervisor on incorporating the sessions into your work schedule
Visit the [College Work Study webpage](#) for more information on work-study guidelines.
